Centre Riding Reform Meeting.
 A meeting of delegates and members of the Centre Riding Reform Association was held at Ferguson on Thursday afternoon, for the purpose of considering what steps it would be advisable to take for the prosecution of the protest against Dr. Orton. Mr. Alex. Dyce, President of the Association, occupied the chair. The Treasurer of the Association presented his report, which showed a considerable amount on hand. After the matter had been thoroughly discussed, arrangements were made for providing the necessary funds. The greatest unanimity prevailed, and a strong desire was expressed by all present to carry out the protest to the utmost limit with spirit.

The writ for the North Kent election has been sent to Sheriff Morris. The nomination is to take place on the 26th inst.

It is said that the Hon. Mr. Crooks will contest North Oxford in the Liberal interest, and the Hon. Oliver Mowat will oppose M. C. Cameron for East Toronto at the general elections for the Local House.

SITON and Glass, of London, whose tender was the lowest, have been awarded the contract for the construction of that portion of the Pacific Telegraph line extending from Fort Garry to Fort Pelly, a distance of 300 miles.

The nomination in Essex for the vacant seat in the Commons took place at Sandwich on Thursday. The candidates named were Mr. W. McGregor, the late member, and Mr. Jeremiah O'Connor, brother of the Hon. John O'Connor.

The Opposition, promoted by Dr. Tupper, got out a candidate against the new Minister of Militia at the Digby nomination on Thursday. Mr. W. H. Taylor, the Tory nominee, has no chance of winning the seat. He is only put up to annoy Mr. Vail.

SOUTH BRUCE.—The Reform Association of South Bruce met at Riversdale on Thursday and unanimously nominated H. R. M. Wells as their candidate at the next election for the Local Assembly. The meeting was large and enthusiastic. Mr. Wells, in a neat speech accepted the nomination.

The Cardwell controverted election case came up for trial at Toronto on Thursday before Chief Justice Hagarty, Mr. Dethune for petitioner and Mr. Cameron for himself. The questions for decision are property qualification, and whether it was demanded of petitioner at the proper time. No corrupt practices charged. The case is adjourned till Dec. 12th, at the request of respondent.

The Montreal Gazette takes a different view of Hon. Mr. Blake's recent speech from many of its contemporaries. It does not consider that he has thereby severed himself from the Liberal party, and it congratulates the country upon the fact that as these practical questions are being settled, politicians will have leisure to air their speculative theories.

MIL OUTLAWD.—The Court of Queen's Bench for Manitoba has issued a warrant of outlawry against Louis Kiel, who, while lying under indictment for the murder of Scott, has up to the present time refused to surrender himself up to the officers of justice, and has his case tried before a competent Court. This settles the case about taking his seat in the House of Commons, for by the law, he is now a fugitive from justice, and is deprived of any claim to occupy such a seat.

The Roman Catholic residents of Hamilton have bought 60 acres of land near Oaklands for a new cemetery.

MANUFACTURE OF COCOA.—We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles, at their works in the Easton Road, London. See article in Cassell's Household Guide.

A stable belonging to Mr. John Leach, of Gortie, was destroyed by fire some days ago.

PAYSON'S INDELIBLE INK is indelible still; it is plainly written on the minds of the public; after forty years' test it still holds its own and is the only reliable and standard marking ink in existence. It is used with a common pen for marking linen, silk and cotton, and will not wash out.

THE HUMAN EYE AND SPECTACLES.—Dr. Franks has been remarkably successful here and given the most entire satisfaction. We think his visit professionally to the Villages of this County in October will be a public benefit. Such an excellent opportunity may never occur again. To our readers to have the best of Spec-

tacles adjusted to the Eye by so scientific a man. In Guelph he received the most complimentary testimonials from our leading citizens, as to his skill in adapting spectacles to the sight, and the superiority of the spectacles themselves. W.

DEATHS.
 HAZEL—In Guelph, on the 14th inst., of the choleraic group, Alfred Edward, son of John Hazel, shoemaker, aged 5 years and 8 months.

HORSE SHOING.
TWO FIRST PRIZES
 For the best set of Light, and the best set of Heavy Horse Shoes, were awarded to DUNCAN MCKENZIE, Woolwich Street, Guelph.

OWNERS OF HORSES
 Who wish to have their horses' feet kept in good condition for travelling should give me a trial, as I devote my whole time and attention to this branch of business. Nothing but horse shoeing is done in my shop. This enables me from my long experience in this branch to do horse shoeing superior and quicker than can be done in shops where all kinds of jobs are done. Horse shoeing should be kept entirely by itself.
 Planning for customers for their very liberal support since commencing business I hope by strict attention to my business to have a liberal share of public patronage.
 I am, Yours Respectfully,
