THE WEATHER.

Toronto, Ont., Feb. 21—11 p.m.—The pressure is above normal throughout the continent and highest from the lake region to the Atlantic. The weather in Canada has been for the most part cloudy and mild.

Minimum and maximum temperatures:

Calgary, 4° below—18°; Battleford, 16° below—4°; Winnipeg, 2° below—32°; Toronto, 32°—18°; Montreal, 28°—14°; Quebec, 24°—32°; Halifax, 34°—42°.

TO-DAY'S PROGNOSTICS.

Toronto, Feb. 22—1 a.m.—The indications for the next 24 hours for the lower lakes region (covering the peninsula and as far east as Belleville) are: Cloudy to fair and mild.

Two prominent supporters of Mr. Carling, canvas book in hand, were importing voters on the G. T. R. platform Sunday night. A friend of Mr. Hayman's, who was appointed to the position of a way that made the Sabbath workers drop him quick.

—Mr. Amasa Wood, father of Mrs. (Dr.) Eccles, this city, will present a handsome new building to the St. Thomas Y. M. C. A. to be valued at \$8,000 and \$15,000. The generous people of London will please remember that a \$50,000 building is proposed here.

—Commanding officers of militia corps wishing to send non-commissioned officers and privates to the school of military instruction will henceforth be required to forward their applications through the deputy adjutant general of the district, who will transmit them to the commandant of the school concerned.

—On Monday the Kingston delegates to the Young Men's Christian Association Convention returned from London. They were highly pleased with their visit. On Saturday morning the young men were driven about London, and the mayor was in the first sleigh. He was very courteous, and was very careful the visitors should know the prominent features of the city.

—The officers of the Seventh Battalion have appointed the following committees for the ensuing year: Regimental, Captain Hayes, Captain Moore and Kingmill; band, Major Beattie, Captain Dawson and Lieutenant John Graham; rifle, Major Marshall; Captain Hayes, Lieutenant Magee, Howie, Fitzgerald and Mills. The financial reports were very satisfactory, and Captain Hayes was thanked for his active interest in the association.

—At the recent Knights of Pythias banquet in Toronto, R. H. Jarvis, P.G.C., and Ald. J. F. Fitzgerald, G.C., of London, responded to the toast of the supreme and grand lodges. Both representatives have been to the school of the progress of the order since its inception. What was especially gratifying was Chancellor Fitzgerald's statement that the increase in the membership of the order had been over 25 per cent during the past year, and that the prospects were never brighter.

Death of Mrs. E. McGarvey.

The death of Mrs. Edward McGarvey at No. 1 McGarvey terrace, York street, removes a respected old resident of 30 or 35 years standing. Mrs. McGarvey had been an invalid for the last few years, and bore her affliction with Christian resignation. Besides her husband she leaves a large family. Two sons are in the oil business in Austria, another is in the same trade in Germany, and two are in the United States. Mrs. Van Alstine, of Winnipeg, and Mrs. Dr. Westland, of this city, are the daughters. Deceased was very highly respected and many friends will regret her departure and extend sympathy to the bereaved family.

Another Runaway.

A young man named Robt. Nobbs, living on Colborne street, and a lady friend, Jessie O'Toole, narrowly escaped serious injury last night. The girl had just left the Salvation Army when Nobbs asked her to go for a drive. As soon as she was in the cutter he struck the horse with the whip and started off at a lively pace. At the corner of Dundas and Clarence streets he attempted to turn down Clarence street. The runner of the cutter caught in the

A. Smith & Co., cigar manufacturers of London, having purchased the plant and stock of the Globe Tobacco Works, intend to give their long experience in the tobacco business for the furtherance of their new undertaking. Owing to the fact that Mr. Smith will personally superintend the works, the public may rest assured that the goods placed upon the market will be of the finest quality only.
