cut glass bowl was presented to Canada and Motherland Will Get Together Then. Ottawa, July 2.-Right Hon. Sydney

Buxton statement of the Imperial Pres Conference, that it was at the request of Hon. Rodolphe Lemieux that any ac tion regarding the reduction of Atlantic stantially correct, but this, however, does not mean that there has been delay on the part of the Canadian Government. On the contrary, it is simply the action rendered necessary by the difficulties which have had to be encountered on this side

In Great Britain the land lines are in the possession of the Government, and as it is therefore comparatively easy to come to an arrangement with the cable companies. On the other hand, the land lines in Canada, being in the hands of private parties, the Canadian Government has the difficulty in front of it of arranging both with the land companies

At the first station and the cable company, which difficulty has been found almost unsurmountable

so far. The conference with the imperial authorities is expected to take place

VERY HOT WEDNESDAY SHIVERING TODAY

The Weather Has Taken Another Decided Change.

Starting on Wednesday the weather has taken a decided change. The air is fresher and cooler, and in conseuence life is much more enjoyable. Today it is almost cold, and everyone your worthy wife may long be spared, but the farmer is supremely satisfied. and that the sunset of your lives may It may not be good growing weather for the crops, but it is certainly pleas anter for human beings. Thursday night the lowest temperature recorded was 53 degrees, and yesterday the hermometer did not register higher than 76.5 even in the hottest part of the day. Last night the mercury went as low as 50 degrees, and this morning at 8 o'clock it stood at 55.5. And the high winds that have been blowing all day have made people almost shiver, while less than a week ago they were sweltering in the lightest of light clothing. A trip in an open street car today lends the general impression of an airship trip to the pole. Still there are no complaints. seized with dizziness, due to heart People are content to freeze for a
