NAVY QUESTION CAN BE SETTLED ONLY BY CANADA

Lord Sheffield Says England Is Not Criticizing Canada in Any Way.

British Cabinet Ministers, Lords and Baronets Are Visiting in Montreal.

[Canadian Press.]
Montreal, July 26.—Testing cheese, stroking the fine cattle, admiring the flowers and particularly admiring the dancing of a dozen short-skirted damsels who are taking the summer course in physical training at McDonald College, the British cabinet ministers, lords, baronets, and mere M. P.'s who are passing through Canada as an empire parliament, association delegation, spent a high enjoyable day at Ste. Anne de Bellevue. Under the country sun the distinguished Britishers broke their silence pact and talked upon subjects of general and local interest.

They agreed that Canada must settle the naval contribution question for herself and that England has nothing which can touch McDonald College. The party went out on a special G. T. R. car which they greatly admired.

Canada's Problem.
Lord Sheffield, late member of the London school board, and of several royal commissions, in speaking of the naval question, said: "The English people think that the Canadian naval question is your job, not ours. I don't think you have seen any British criticism of the attitude of Canada in the matter."

In regard to McDonald College, Lord Sheffield said: "If we were not admiring you, we should envy you. Sir William McDonald, a factor like Sir William McDonald, the English people might be more keen for technical education. We only really started with the beer money allotment in 1904, and we have not progressed very swiftly."

A Liberal Policy.
"The thing that at once strikes all of us in visiting such an institution as McDonald College is the fact of how much more liberal Canadians and Americans are in the matter of material equipment enterprises than we are in England. The method of this college seems to me to be grounded on the correct practical principle and the teaching to be thorough."

Lord Emmott's View.
Lord Emmott, under secretary of state for the colonies, said in regard to the naval question: "England will take it as a friendly act if Canada wants to contribute to the imperial navy, but we have enough sense to know that what's another man's job is not our business."

"Canadians must settle the question for themselves. We recognize that if any of the self-governing parts of the empire were to take it upon themselves to teach other self-governing parts their duty and their business, the inevitable result would be irritation and friction. With our reception in Canada we have been very much touched."

SENATE LOBBY PROBE WILL END NEXT WEEK
Martin Mulhall Is On the Verge of a Break-down.

Washington, July 25.—With only about 1,000 more of Martin M. Mulhall's letters to read into the record, the senate lobby investigating committee adjourned today until Monday, expecting to wind up the correspondence of the "lobbyist."

Toward the close of the day's session, Mulhall showed signs of the strain he has been under. He became confused during the reading of one letter, and when he was suggested that he needed a rest, exclaimed: "I'm just about broke down. For God's sake do have mercy if you can. I don't want to say I'm breaking down, but I don't want to answer questions if you will let me go."

Chairman Overman announced today that the attorneys for the National Association of Manufacturers and the American Federation of Labor would be allowed to question the witness through the committee, provided they submit questions twenty-four hours before and receive the committee's approval.

Senator Nelson had a talk with the Democratic members before the decision was announced, and it is known that he protested vigorously against allowing Mulhall's story to stand without examination by the lawyers for the organizations involved.

During the hearing today a sharp attack was made among members of the committee about whether foreign manufacturers and importers had influenced tariff reductions in the present bill.

AUSTRIA PLANS TO END FIGHT IMMEDIATELY

Will Protect Bulgars From Too Great Humiliation by Intervention.

Women Appeal to the French President to Save Them From Turks.

London, July 25.—The important developments today in the Balkan situation was a demand presented by the Austrian representatives at Athens and Belgrade for an immediate cessation of hostilities, together with a warning that Austria will not allow Bulgaria to be too greatly humiliated. It was declared in Vienna that should Greece and Serbia still oppose an armistice a Rumanian army, acting as a mandatory of Austria and Russia, will prevent any attack on Sofia, and that Austria will take every necessary step, if necessary, to stop the war.

Should it be true that Austria and Russia thus have agreed to co-operate in the pressure exercised doubtless will be of great importance.

Appeal From Women.
Sofia, July 26.—The French minister here was requested today by the Bulgarian women in Philippopolis, Eastern Rumelia to send the following telegram to President and Mme. Poincaré:

"Bulgarian mothers, whose sons are on the battlefield, implore Madame and Monsieur Poincaré, with tears in their eyes, to save us from the Turkish massacres which threaten Philippopolis. Your intervention is our last hope. Accept our sincere thanks and eternal gratitude."

Seize Fortress.
The Servians have invested the ancient fortress at Vidin, Bulgaria, which is situated on the Danube, 130 miles south of Belgrade. The fall of the fortress cannot long be delayed. In fact a Belgrade dispatch reports that General Kutuncheff's troops already are beginning to surrender.

Vidin, which has a population of 15,000, will be Servia's biggest capture during the war.

Battleship Has Reached Esquimaux
Vancouver, July 26.—The battleship New Zealand reached Royal Roads off Esquimaux harbor today. Victoria is planning a great reception for the ship, and a great reception for the ship, and a great reception for the ship.
