BIG STREET PARADE
AS DODGERS LEAVE
TO TACKLE BOSTONThousands of Enthusiasts Give
Send-Off To National
Champions.

[Canadian Press.]
New York, Oct. 5.—Brooklyn gave the National League pennant winner a rousing send-off today for the opening game of the world's series, to be played in Boston tomorrow. Thousands of enthusiasts gathered at Ebbets' Field long before the hour for the departure of the players. In the crowd were many city officials, businessmen and the Brooklyn boosters, who go to Boston with the club to root for the Dodgers.

A big parade.
A hand led the big parade from Ebbets' Field to the subway station, and a multitude of fans lined up behind. Many houses and stores displayed flags, and the pennant winners were cheered along the route.

The players leave the Grand Central Station at 1 o'clock.

We have more applications for tickets to the Brooklyn games than we can sell," said President Ebbets of the Brooklyn Club. "Applications have been pouring in from all parts of the country, and as far south as Cuba."

While the players are in Boston fighting for the first two games of the series, carpenters were busy extending the seating accommodations at the Brooklyn field. Nearly 1,500 extra box seats will be constructed for the first game, and new tiers of seats to accommodate 1,500 more will be erected in the left field.

This will bring the capacity of the ground to about 27,000.

Members of the national commission and the umpires for the world's series left here this forenoon for Boston, where they will meet this afternoon to clear up any doubtful points about the series or the rules to govern the play.

FINE WEATHER PROMISED

Last-Hour Preparations For
the Supreme Baseball
Struggle.

[Canadian Press.]
Boston, Oct. 5.—Activities attendant upon the opening here tomorrow of the world series between the Brooklyn Dodgers and the Boston Americans, gained a good working knowledge of the conditions at Braves' field, which Manager Robinson thought sufficient preparation for the test.

The weather man contributed his part to the arrangements with assurances of fine weather tomorrow. While it was warm today there was a promise of slightly lower temperatures for the game, and with no other indication of rain.

Attendance Will Be Large.
The attendance at the first game will be the largest in the history of baseball, according to President J. J. Lannin of the Boston Americans. After working through the night again to facilitate distribution of reserved seats, Lannin said the interest in the series this year, as indicated in many ways, was greater by far than last year, when a record crowd of 42,700 saw the first game played in this city.

The height of this interest was shown by early morning crowds at Fenway Park, small in number, but eager to obtain preference in the purchase of grandstand seats. The new system by which successful applicants were forced to fall in with a policy of "first come, first served" at the ticket line, instead of having certain tickets held at their order, caused some confusion yesterday, and was responsible for the early lines today.

Prospective spectators were under surveillance of the police, and plainclothes men who had orders to arrest anyone trading in tickets. The time for exercising purchase privileges reservations expires at 4 o'clock tonight, after which called for tickets will be put together and prepared for a rush line tomorrow morning. This is the only opportunity for persons not successful in applying to the ticket line to obtain seats except by private transactions at increased prices. As far as could be learned today disposition of tickets for the games here has as yet developed no symptom, requiring the attention of the national commission.

The umpires who will act in the games arranged a conference to discuss the application of certain rules of each league generally, with discussion as to which shall obtain on each grounds.

Dense Lines of Men
and Women Clamor
For Reserved SeatsPolice Are Called to Keep
Order Among the More
Boisterous Ones.

BOSTON, Oct. 5.—Seekers of reserved seats took on the appearance of bleacher crowds today in the scramble for reservations for the world series baseball games, which begin here on Saturday. They swarmed to the ticket offices at Fenway Park in dense lines. Women and some staid businessmen waited with meager boys and others in their efforts to gain prominent places in the line. No actual disorder developed, but the police were called upon to reform lines and clubs were emptied of patrons. Boisterous applicants who clamored for answers to their written applications for seats. The fourth game of the series opens here today. The third game in this city, the fifth of the series, will be played on Saturday Day, a holiday, the schedule is followed, has greatly increased the demand. Hundreds of requests have been refused.

Athletics Beat Them.
The practice at Braves Field, which Manager Carigan directed, was a limbering up affair in which everybody seemed to take it easy. At Worcester the representatives of the world's champions were defeated by the Athletics, 3 to 0, in a game which developed only ordinary performance. A poor throw by Janvin which caused a score and fast fielding by Walker were incidents.

To friends in Worcester, Captain Jack Barry said his recently broken hand was still weak, and that he was doubtful whether he would be able to play in the big series.

Fisher and Brennan
Will Both Be Down
to Weight for Bout

Matchmaker Tony Zaccaro received a telegram yesterday from Young Fisher of Syracuse, stating that he would easily make the 154 pounds stipulated in the signed articles between him and Frankie Brennan for their bout here Thanksgiving Day night. Fisher states that at the present time he only weighs 152 pounds. He is training daily and will be in fine condition for the battle.

Brennan Getting Down to Weight.
Frankie Brennan also writes in to say that he is getting down to the two or three days helping him considerably. He has done most of his work in the open air, and says he is ready to put up the exhibition of his life. He is not taking the Syracuse boy lightly, as he knows he will be up against a good, clever fighter. Fisher has a fine record, while Brennan also has a reputation to sustain.

No This Bout Should Be Good.
No little interest is being taken in the preliminary bout between Earl Wainwright and William Stockley. No more promising lightweight has been seen in these parts than Wainwright, while Stockley is also an experienced ringmaster who has quite a record. He has resided in the city for the past couple of years, being a resident of East London. He met Zaccaro in a three-round draw some time ago, but has not appeared in public since.

To Benefit Soldiers' Club.
The bouts are under the auspices of the S. P. A. and all surplus receipts will be devoted to the Soldiers' Club as they have been in the past. The club is being put on at considerable expense and London fans are being treated to boxing exhibitions at popular prices that fans in the larger Canadian and American cities are paying big prices to see.

Freddie Welsh May Come Here.
It is not unlikely that Freddie Welsh, the lightweight champion of the world, will appear in London at an early date. Welsh has been touring Western Canada, giving boxing exhibitions for patriotic purposes, and he is coming east shortly. An effort will be made to bring him to this city.

"McGraw already has gone over the plans for next year with President Hempstead," said Mr. Foster, "and has high hopes of leading the New York Club to a pennant. His contract with the New York Club has another year to run, and it is not fair to him or the club to have rumors spread that he will
