MAKE WIDE SLASHES

Immigration, Justice and Other Departments Are Affected Under Economy Budget.

Canadian Press Despatch.

Ottawa, March 19 .- The estimates for the financial year 1924-25, pre sented to parliament today by the Hon. J. A. Robb, provide a total of \$400,571,850, a reduction under the otal amount of the main estimates for 1923-24 of \$26,939,385 and a reduction of \$46,373,715 under the total of main and supplementary estimates

Practically every service shows decrease. These reductions range in amount from a few thousand to \$19,335,576 in railways and canals

Interest on public debt, which is provided for by statute, is estimated at \$134,258,371, a reduction of \$3, 999,992 under the previous year. Expenses connected with loans and general administration of the debt show a decrease of \$88,500.

For the first time in over 20 years.

For the first time in over 20 years, ays an official summary, the estimate for civil government, which provides for salaries of employees at Ottawa, has been reduced. The sums alloted to the departments have, in

decrease of \$369,950 despite the ne statutory salary increases. Large re ments of national defence \$20,126, interior \$14,244, immigration \$35,050, finance \$42,022, marine and fisheries \$34,940, public works \$10,440; postoffice \$18,930, trade and commerce \$50,840, patent and copyright \$34,270, and labor \$19,220. Of twenty-nine department, only five show comparatively small increases. Under civil government salaries the total num ber of positions provided is 5,470 as against 5,730 for 1923-24, a de-

crease of 260 in this service. Cuts have been made in administration of justice \$17,460; penitentiaries \$1,993 and legislation \$33,338. provided against \$7,119,500-reduc-
