the locked-out union material deliverers will probably end to-day. The walking delegates have met defeat in a strike involving 20,000 laborers. This morning the Framers' Union, comprising 2,000 men, gave up the struggle and returned to work.

The Planet Mars.

New York, Aug. 8-Dr. Schiaparelli replied to the offer of the proprietor of a weekly paper to bring him to this country to investigate Mars as follows: "I am very thankful for your proposal, but I cannot accept it. The planet is too low for good observation. In my opinion the next opposition will give better opportunities."

General Dimond and staff, at the Sea Beach hotel The artillery and cavalry have visited the bluffs to look up positions for Saturday afternoon, when the sham battle will take place.

A Breach of Fromise Case.

SAN FRANCISCO, Aug. 10.—Emma Tilton,

Another Miners' Strike.

New York, Aug. 8.—A special to the World from Fairmont, W. V., says: "Tomorrow 3,000 miners in this portion of the Mononagahela valley and the Wheeling district will begin a strike to force recognition their labor organizations. The operators throughout this section have made a hard fight against the labor union, and they declare that they will close their mines permanently if necessary to win the struggle. Considerable dissatisfaction exists among the union miners of Kanawuh valley, and it is probable that the strike will spread to that section, when 10,000 men will be affected."

The plaintiff alleges that the defendant promised to marry her, last February, and that she waited for him to fulfil his promise, but she recently discovered that he had married another woman. She asks for \$20,000. Odell, who is about 50 years old, is an Oregon stock raiser and is a butcher said to be worth at least \$100,000. He recently married Miss Susan Barnes, of Oakland.

Alaska Salmen Fishertes.

Washington Chtt, Aug. 9.—Secretary Foster to day appointed Max Pracht, of Ashland, Ore, as special agent in charge of the salmon fisheries in Alaska.

The Pacific Mail Will Cut Rates. San Francisco, Aug. 9-The Post says: It was rumored on 'Change [to-day that there would soon be another startling development in the war now going on be tween the companies owning ocean steamers over the business of local merchants. From present prospects the battle will become even livelier than has been anticipated, for it is now said the Pacific Mail Steamship Company will, in the near fu-ture, reduce its rates on all ocean freight to 30 cents per ton. It is claimed they can do this and not run much behind because of the subsidy which the company has enjoyed for years.

She Vindicated Her Hener.

New York, Aug. 8.—A Warsaw cable two fatal. In Brooklyn, eleven cases of ly conscious, and her friends begin to hope for her recovery. The doctors have not expressed any change of opinion as to a probable fatal result.

Cholera Deaths at Mescow.

Mossow, Aug. 9.—Sixteen new cases of cholera and ten deaths from that disease in for for coured here to-day.

Another Abolisionist Gene.

Levinov. Aug. 9.—Mrs. Rose, one of the levinous files and plunged in the plant of the recovery. The doctors have not expressed any change of opinion as to a problem of the family of a Russian high official, entered a cafe in this city yesterday, approached the table where two officers were sitting, and, drawing a revolver from the folds of her gown, shot one of the men, lieutenant Golowac, through the heart.

Before any one could interfere she drew a knife and plunged it in the breast of the other officer, Captain Mutelink, inflicting a very contraction were reported, this morn ployed in the family of a Russian high official, entered a cafe in this city yesterday, approached the table where two officers when the table where two officers and ten deaths from that disease occurred here to-day.

He had bitten a large number of dogs and other animals. the Democratic column in November. The 25th to return to the wagon and the elder Breedlove. They refused a guide for water, and were last seen alive on the afternoon of June 26, going toward Palm Springs. The Indian thinks they must have died in the hot desert winds that blew on June 30, and July 2 and 3, being the most terrible ever known on the desert.

Washington's Hop Crop.

PUNALLUP, Aug. 9.—It is conservatively estimated that the hop crop of Washington.

Married on the High Seas. Los Angeles, Cal., Aug. 10.—Society here and in Pasadena has a sensation in the aged 70, a farmer residing in East Zorra, large falling off from last year. The amount of yield will depend very largely upon the lice have been so numerous and active this vear that those who neglected the precaution of spraying will probably lose the entire crop. Those who sprayed in time and kept it up, at intervals, until the burr was formed, will gather a good average crop, with prospects of realizing stiff prices before the season is over.

New York Walking Delegates Besten.

New York, Aug. 8.—The general strike of the building trades in sympathy with the locked-out union material deliverers will probably end to-day. The walking was a sensation in the form of an elopement and marriage on the high seas. The parties are J. F. Thoms, of Pasadena, aged 19, and Lillie B. Clarke, aged 17, of this city. Both were well known in Los Angeles, and the young lady is a society belle. The two left on the steamer Falcon for Catalani Island and wanted the captain to perform the cremony, which he refused to do. On the return trip by the steamer Hermosa, Captain Darn-feld married the couple, Thoms producing a letter from the girls father giving his consent to the match. The elopement was made because Thoms was under the legal age, and his mother had refused her consents was rendered insensible by the shock.

Markham arrived at noon, escorted to camp by the first troop of cavalry, and was welcomed by a salute. To-night a reception and party was given to him and General Dimond and staff, at the Sea Beach hotel The artillery and cavalry have visited the bluffs to look.

Mill Burned.

EXETER, Aug. 10.—The Exeter Milling Company's mill, storehouse and contents were burned, last night. Loss, \$20,000; insurance, \$15,000.

Will Have Separate S

New York, August 10 .- Sporadic cases f smallpox continue to be reported in this city, and this morning two deaths occurred from the disease. Officers of the health de-partment say there is no danger of the dis-ease spreading, as the sanitary arrange-ments made for the removal of patients are such as to render intection almost impos-

Excentionally Hot New York, Aug. 10.—Humid, sultry weather continues. At 8 o'clock, this morning, the thermometer registered 79 deg., with humidity 75 per cent. At 11 o'clock the street temperature was 86 deg., with scarcely a breath of wind and an indication

Confident of Winning. PITTSBURG, Aug. 10.-In an interview at Homestead with Vice-Chairman Crawford, Homestead with Vice-Chairman Crawford, of the Amalgamated Advisory Committee, he says: "There is no longer any doubt that we have the fight almost won. We have the other side almost whipped, and notwithstanding the statements of Supt. Potter, the stay of the present force of non-union men will be of very short duration. Since Saturday last fully 300 of the company's recent importations have left the mill." Superintendent Potter and Secretary Loveiov. on ndent Potter and Secretary Lovejoy, on the other hand, express themselves as dent that Carnegie will win the fight.

VISALIA, Cal., Aug. 10.—Ten men arrived here from the South this morning and will leave for the mountains this evening with detectives in pursuit of the train robbers.

George W. Witty, deputy sheriff, shot by Sontag and Evans, is said by Dr. Patterson, to be improving to day. Armed men left for the mountains at 2:30. They came at y, 11 o'clock this morning from Arizona and Texas and are old trailers. They will endeavor to trace the men to their hiding places. It is said that ten of these trailers came to town to-day. They are cool, determined looking men.

At Watter the Mobbers.

VISALIA, Cal., Aug. 10.—Ten men arrived by South First street, last night, owned by James Simpson, who occupied a portion of the lower floor, used as a saloon. Entrance was effected through a window in rear of the saloon by breaking a pane of glass. The carpets were saturated with alcohol, and newspapers filled with pieces of candle were fired. There is no clue to the would-be firebugs. The building was a valuable brick structure.
