MONCTON WOMAN HELD UP BY REVOLVER

Was on her Way Home When
Man Halted Her on
Albert Side

SCREAMED FOR HELP

MONCTON, Dec. 20.—As she walked home from work on Saturday evening a well known Moncton woman was held up at the point of a revolver by a short, stocky man, who had a white handkerchief over his eyes. He asked the woman where she was going and she replied "home". He then commanded her not to cry out and caught her around the waist, throwing her to the ground. She screamed and the man became scared and ran away.

The number of crimes recently by boys in Moncton has urged at least one Moncton pastor to utterance on the question. Rev. H. MacLeh of the West End Baptist Church last evening sounded the need for more personal work among the boys before some serious crime resulted from the present minor offences mentioned the tavern gang in St. John, as a case of boys who had been allowed to become hardened in crime. He also criticized Sunday evening musical recitals in the churches.

CROWDED HOUSE GREETING CANTATA

Successful Entertainment
In Opera House By
Local Talent.

WELL PUT ON.

It is seldom that Campbellton citizens are able to enjoy such a musical treat as that given at the Opera House on Friday evening, when the beautiful Christmas Cantata, "Santa Claus Expected," was put on under the direction of Prof. Singleton assisted by Mrs. Singleton.

For weeks Prof. Singleton has been hard at work preparing for the event and we are sure the outcome must be gratifying to him as well as all who assisted in its production.

The Opera House was crowded and the audience was generous with applause, cheers being insisted upon in most cases.

The following program was rendered:—

GOD SAVE THE QUEEN

Each number was presented in a thorough manner which bore witness to weeks of hard training. With so many excellent features it would be manifestly unfair to pass without making special mention of some at least, which appealed to the Graphic reporter.

Of course the one which appealed most to us was Grimmy's solo "Papa's." He appeared in the regulation street Arab costume, with his bundle of Graphics under his arm and sang his lines in a clear distinct voice.

His solo "Black" was also well rendered and generally applauded.

The solo "Wholly Buy my Flowers" by Miss Gertrude McLeann was also very favorably commented upon and received a hearty encore. Dressed in flowergirl costume Miss McLeann made a very pretty picture and rendered her lines in a pleasing manner.

"Rock a Bye Baby" by Miss Irene Morton was also a very pretty number. Miss Morton is a born actress and made a good impression on the large audience and graciously responded to a hearty encore.

The "Parade of the Nations" by twelve boys was also an excellent feature. The boys all taking their parts in a highly professional manner.

The fairies in their pretty costumes very as real as fairies could be and merited their share of applause.

And last but not least Santa Claus himself behaved in his usual jolly manner and by his witty remarks brought down the house.

ANOTHER WOODSMAN LOSES HIS MONEY

Was Druuk When Squaw
and Indian Got Next
His Roll.

ARRESTS FOLLOW

William Hill, a lumberjack, came out of the woods Saturday morning received his pay and proceeded to have a good time.
He had 14, but soon lost his roll. He had been taking too much liquid refreshment and was not particular as to what kind of company he kept. A squaw and Indian saw his money and thought that they might as well have it, that he would lose it anyway so they took it and then took the first train out of town.

Chief Crawford was informed of the loss and got track of the suspects. He sent Officers Brown to New Mills where the pair were arrested. When searched the squaw had \$8.00. They were brought back to Campbellton and appeared before Judge Macdonald and were sent up for trial.

BATHURST CASE IS AGAIN BEFORE COURT

Resumed at New York Mon-
day—Insanity Pleas Now
Recognized.

ATTORNEY SPEAKS

NEW YORK, Dec. 20.—Arraign-
ment today of the two women held by the New York authorities in connection with the death of Oscar Sneed, while it created another public outburst upon the elderly prisoners, was a necessary step in the process of bringing them until reports are returned by the grand jury in New Jersey.

Presently a bill of Essex County will ask for and expect these indictments tomorrow.

The plea that Mrs. Caroline S. Martin is not mentally responsible for her acts will not deter him from asking her indictment for complicity in the killing of her daughter, the New Jersey prosecutor said.

"I know absolutely that even if the girl did commit suicide, she did so at the instigation of others," Mr. Mott stated. "Letters were written and which are in my possession prove that she was received into believing her husband would return finally she was coerced into a long, unfurnished home and afforded an opportunity to do away with herself."

Least there be repetition of the distressing scenes which Mrs. Martin's bath-tub victim's mother, and Mrs. Mary Sneed, her aunt, were last arraigned, it was arranged that their legal advisers accompany them to court today.

At this time of year questions are continually being asked of the post office authorities. Practically every one is sending parcels, and the number who have friends in foreign countries when they wish to remember is remarkable.

There are the rates charged for parcels to some of the most important countries:

Australia, 24 cents for the first pound and a similar sum for every additional pound.
Bahamas, 12 cents a pound.
Bermudas, 10 cents for the first pound, and 12 cents for each succeeding pound to the limit of 11.

Cane Colony, 25 cents for the first pound, two pounds for 54 cents, three pounds for 80 cents and four pounds for \$1.06.
China, 16 cents for the first pound, and 12 cents for each additional pound.
Cuba, 38 cents for the first pound, 60 cents for a two pound parcel, three pounds for \$1.74.

France, 42 cents for the first pound, 8 cents additional for the next two pounds, and 76 cents for a 4 pound parcel.
Germany, first pound 34 cents, 8 cents additional for the second and third pounds, while the four pound parcel requires 70 cents postage.

Parcels within Canada carried at the rate of a cent an ounce, which reveals the peculiar fact that a five pound parcel can be sent from Toronto to Hong Kong for a cent, and to send the same package from here to St. John would cost 80 cents.

Small parcels weighing a few ounces are at the present time accepted in nearly all foreign countries except the United States, on the regular letter rates providing they do not contain anything coming on the prohibited list of the country to which they are addressed. Such parcels are subject to examination at the customs offices.

Many persons find themselves affected with a persistent cough after an attack of influenza. As this cough can be promptly cured by the use of Chamberlain's Cough Remedy, it should not be allowed to run on until it becomes troublesome. Sold by all druggists.

EVANGELIST BELL TO HOLD MEETING

Plan For Great Revival
Services Here Early In
The New Year

COMMITTEE CHOSEN

A committee composed of the Ministers of the town met on Thursday night to make arrangements for the Series of Evangelistic Services to be held in the town immediately after the Week of Prayer, under the leadership of Evangelist, J. Ritchie Bell. Dr. Carr was appointed chairman and Rev. P. J. Stachhouse, secretary. All of the Protestant churches will unite in these services. After some discussion it was decided:

1. That the two Sunday meetings will be held in the Opera House if it can be secured, at 3.45 p.m. and 8.15 p.m.
2. That the meetings on Monday, Wednesday and Friday evenings be held in the Presbyterian church, and Tuesday and Thursday evenings in the Baptist church.

3. That the afternoon meetings be held in the Methodist church.
The following Committee were appointed:

Advertising Committee—Rev. P. J. Stachhouse, Chairman; A. G. Adams, T. W. Wain, John Reid.
Music Committee—David Graham, Chairman; John Reid, John Culler, George Lyman.

Ushers—D. Bruce, Chairman; John McLean, Robert Keith; H. A. Allan, John Oliver, Ernest Thayer, Max Morris, I. A. Stevens, John C. Ferguson, W. McD. Metzler, D. R. McRae, Reginald Shives.

Praying Committee—Wm. Currie, Chairman; John Barberie, J. W. Appleton, W. W. Starratt.
Mr. Bell has just finished a most successful series of meetings in Moncton. He is a social, cheerful and is especially noted as a singer. The singing has been one of the marked features wherever he has conducted meetings. Religiously Mr. Bell is a Methodist but occupies the nonsectarian position of Manager of the Montreal Sailors Institute. He is also choir leader for a part of the year in one of the large Presbyterian Churches of Moncton.
