HORSE NOTES

(From the Gloucester Northern Light)
The advertised and expected ice races that were to have taken place some time ago, and were postponed on account of the condition of the track, have not yet been brought on, as the track has been spoiled by drifting snow and adverse weather conditions. Local horsemen have not yet given up hope of having the races before the ice breaks up, so have been keeping

their speedy ones in condition. Northern Jack, under E. R. Shirley's management, is in the pink of condition. O'Flanagan, owned by Azade Landry, and holding a mark of 2.18 1/4 is in splendid shape. This is a new arrival in these parts, having been imported from Maine last February. Hal L. 2.11 1/4 is being kept in proper order for the ice track and may take a turn when conditions are favorable.

EXPANSION OF THE GOVERNMENT SYSTEM

Notice of Legislation Regarding Branch Lines Given in House of Commons

Ottawa, Mar. 25.—Notice of important legislation affecting the expansion of the Government Railways has been given by the Hon. Frank Cochrane, Minister of Railways, in all three resolutions, the first providing that the Minister of Railways, subject to the authority of the Government in Council, may construct, purchase or otherwise acquire in whole or in part, any railway, railway bridge, railway station, terminal, ferry or other railway work in the provinces of Quebec, New Brunswick, Nova Scotia, and Prince Edward Island. It is provided that a copy of every such lease or contract must be laid before Parliament, and no railway of more than twenty-five miles in length is to be acquired, and no railway may connect directly with the Government Railways System. No railway of more than twenty-five miles is to be constructed until after a sum of money for the purchase is appropriated by Parliament. All lines so constructed, or acquired, are to become part of the Government Railways System.

Another resolution is destined for the ratification of an agreement dated March 18 last, for the sale to the Government of the New Brunswick and Prince Edward Island Railway, including the main line of thirty-six miles from Sackville to C. Tormenline. The purchase price is \$270,000, and until it is paid the government is to pay interest at four per cent. from August 1st last.

The third resolution confirms an agreement of August 1st, 1914, between the International Railway, of New Brunswick and Thomas Malcolm, contractor, and the King, for the sale to the Government of the whole of the company's undertaking, the line extending from Campbellton to St. Leonard's, 112 miles, for \$2,700,000. It is provided that the money may be paid any time within five years and that the line may be leased to the Government in the meantime at \$90,000 per annum, payable half yearly.

WAR STAMPS.

Re one cent war tax on letters and post cards mailed in Canada for delivery in Canada, United States or Mexico, and on letters mailed in Canada for delivery in the United Kingdom and British possessions generally and wherever the two cent rate applies.

A war tax of one cent has been imposed on each letter and postcard mailed in Canada, delivery in Canada, the United States or Mexico, and on each letter mailed in Canada for delivery in the United Kingdom and British Possessions generally, and wherever the two cent rate applies, to become effective on and from the 15th April 1915.

This War Tax is to be prepaid by the senders by means of a War Stamp for sale by Postmasters, and other postage stamp vendors.

Wherever possible, stamps on which the word "War Tax" have been printed should be used for prepayment of the War Tax, but should ordinary postage stamps be used for this purpose, they will be accepted.

This War Stamp or additional Stamp for War purposes should be affixed to the upper right hand portion of the address side of the envelope or post card, close to the regular postage so that it may be readily cancelled at the same time as the postage.

In the event of failure on the part of the sender through oversight or negligence to prepay the war tax on each letter or postcard above specified, such a letter or postcard will be sent immediately to the nearest Branch Dead Letter Office.

It is essential that postage on all classes of mail matter should be prepaid by means of ordinary postage stamps. The War Tax stamp will not be accepted in any case for the prepayment of postage.
