Toronto.

Toronto, Oct. 8.—While local wholesale butchers paid good firm prices for choice medium weight heifers and steers business generally was dull at the two local cattle markets to-day. There were few heavy steers on sale, due to the absence of demand for the past two or three weeks, and prices for this class were still weak. The general quality of the offering was inferior. Handy weight heifers fetched the best prices of the day, from \$6 to \$6.40, with coarser stock not so good a sale. Heavy cattle did not go higher than \$6.10, and medium butchers sold from \$5.25 to \$5.85. Common cattle were very plentiful and easy. Choice cows were strong at \$5 to \$5.50. Sheep and lambs were slightly firmer and about 5c higher. Hogs continued to decline, the last drop being of 50c per 100 lbs. to \$8.25, fed and watered. Combined receipts of the two markets were 157 loads, 2,880 cattle, 162 calves, 670 hogs, and 1,944 sheep and lambs.

Cause of Eczema Explained After years of debate medical author

ities are now agreed that Eczema and other skin diseases are not seated in the blood, but are caused by myriads of

blood, but are caused by myriads of microscopic animals gnawing the flesh just below the epidermis. The patient is perfectly healthy, it is only the skin that is diseased,

Hence, scientists are now agreed that you must cure the skin through the skin. The medicine must be in liquid form in order to penetrate properly. And we can say with confience that we have the true remedy for Eczema in our store—the D.D.D. Prescription.

The instant you wash with this soothing liquid you will find the itch relieved. We positively assure you of this. Will you try a bottle on our recommendation? Besides the regular Dollar Bottle we can now offer you, through an arrangement with the D.D.D. Laboratories, a special large trial bottle at only 25c. We are not sure how long this offer will be open—but it is open to-day, and by taking it up you can get instant relief from that awful itch and an early cure.

Taylor & Son, Druggists.

Taylor & Son, Druggists.

You can't beat old Ontario and particularly-its quiet, steady, peaceful and prosperous rural sections, for all round happiness and length of years. The methodical life or the farm, undisturbed by the excitement and sensations which thrill the city populace from day to day cerexcitement and sensations which thrill the city populace from day to day, certainly makes for longevity. That this is true in a large degree it is only necessary to state that at the celebration of a golden wedding in Lobo Township last week, there were no less than four other couples who have been spared to share the sun and shadow of married life for over fifty years.

Its true. Mother has had her picture taken rather oftener than father has—but even she hasn't been in two years and that picture will never do to send to Aunt Jane. She wears her hair so much more becomingly now—and anyways its high time there was another picture for the family collection.
