

been responded to, by the Rev. James Howie, who is now labouring in the field, we earnestly hope that the means of supporting him will be supplied by those who love the Saviour and the souls of their fellow men.

The Executive Committee are sensible of the necessity that exists for efforts being made in many parts of the land to make known the gospel in its fulness, and unfettered freeness. They believe that a little sacrifice on the part of those who know and love the Saviour, in connection with our Evangelical movement, would be of great and lasting benefit at the present time. They would therefore urge upon all who take an interest in the progress of our cause in the Provinces, to send donations and subscriptions to the Treasurer of the Mission, in order that the work of spreading the glorious gospel of the blessed God may be carried on with spirit and efficiency. Let each give as the Lord hath prospered him to help onward and forward the good cause, and there will be no lack of funds. It is more blessed to give than to receive; and the people of God should never weary in well doing, but always abound in the work of the Lord. It is our sacred and solemn duty, to honour the Lord with our substance, and with the first-fruits of all our increase. And we are persuaded that, if our views are right, and our hearts right, we will feel it to be a privilege, as well as a duty, to place upon the altar of God no small portion of our worldly substance for his honour and glory. We appeal to our Christian friends throughout the country for funds to help us with the Lord's own work. We appeal for help to all who love the Saviour, and who wish to see the Gospel spread throughout the land.

Mr. Alex. Gemmel of Toronto has been recently appointed Treasurer of the *Provincial Mission*, and the Executive Committee take this opportunity of again reminding the friends of our movement that the Mission has a special claim upon their sympathy, their prayers, and their pecuniary aid. "The liberal soul shall be made fat, and he that watereth others shall himself be watered." This is one of God's own precious promises, and yet there are comparatively few of his professing people who practically believe it.

It is only necessary to say, in closing our appeal, that whatever amounts are sent to either of the Editors of the *Star* for the mission, will be handed to the Treasurer and acknowledged on the cover of the *Star*. All the money sent directly to the Treasurer, Mr. Alex. Gemmel, Box 645, Toronto, or obtained in the form of collections, &c., by Mr. Howie, will also be duly acknowledged on the cover of
