## ENDOWMENT RANK SHOWING.

The last quarter of the Endowment Rank presents the following showing:—

"A synopsis of the progress of the Endowment Rank during the second quarter of the present fiscal year, embracing the months of July, August and September, shows results evidencing continued growth of this branch of our Order.

Since July 1st, sixteen hundred and twenty applicants, passing favorable examination, have been admitted to the Rank, the new endowment issued aggregating two million three hundred and forty thousand dollars.

The roll of local branches has been increased by the organisation of sixty-six new sections, covering the Supreme Domain from Maine to California. One hundred and thirty-four death claims were adjusted and paid during the quarter, the
