

candidates for the approaching Confirmation, for which purpose classes are opened, and Lectures delivered. In the Cathedral there is Daily Prayer, and an unusual number of the Parishioners are to be found in attendance at the early service; and we earnestly pray that these offices of devotion may serve by the blessing of God to promote a true and lasting revival on the Church. It is another occasion to rejoice that the most edifying, although much neglected office of Public Catechising has been restored in the Cathedral, where, in accordance with the Rubric, between fifty and sixty of the children are instructed and examined by the Curate immediately after the second lesson, on Sunday afternoons.

At the same time we most heartily congratulate our Christian brethren in the Army at Halifax, on the zealous and effective efforts which are made to awaken their piety, and the abundant services provided for the exercise of it.

At the last meeting of the Executive Committee, the Lord Bishop gave a statement of Eight Missions in which Assistant Missionaries were needed.

The amount required from the people at Digby Neck was reduced from \$300. to \$200 to meet a grant of \$300 from the Society.

It was agreed that the present state of the funds of the Society would not warrant any grants being made until after the first of April next.

Lists of Subscribers received before the 1st April, will appear in the next Report.

Notice of motion was given for a grant towards building a new church at Waterville, on the road between Windsor and Chester.
