HAD 53 BOILS. SUFFERED SEVERELY.

Mr. H. M. Lockwood, of Lindsay, Ont., whose portrait is shown above, is a well known Railway employee, and has lived in Lindsay for the past three years. Mr. Lockwood was born and brought up in Hastings County, where he has many friends who will be glad to hear of his recovery from the trying complaint which afflicted him so severely. Mr. Lockwood writes as follows: "I was terribly afflicted with boils, having no less than 53 in eight months, during that time I tried many remedies without relief, Doctors' medicine did not relieve me, in fact I could not get rid of them at all until I began using B.B.B. It completely cured me, and I have not had a boil since taking the first bottle. I write this to induce those afflicted with boils to try B.B.B. and get cured, for I am confident that but for Burdock Blood Bitters I would still have had those terrible boils, which shows plainly the complete blood cleansing properties of this medicine, because everything else that I tried failed. A friend of mine who also suffered from boils, took one bottle by my advice and thanks to B.B.B. his boils all disappeared." Yours truly, H. M. LOCKWOOD, Lindsay, Ont.
