LITERARY COMPETITION.

THREE HUNDRED DOLLARS OFFERED  
IN PRIZES.

BY THE DR. WILLIAMS' MEDICINE CO., OF  
BROCKVILLE, ONT.

The Above Amount Will be Divided Among  
the Writers of the Best Five Original  
Stories—The Competition Open to All  
Bona Fide Residents of Canada.

With a view to assisting in the develop-  
ment of literary talent in Canada, The Dr.  
Williams' Medicine Co., of Brockville, Ont.,  
will award prizes amounting to \$300 among  
the writers of the best five short original  
stories submitted in the competition as fol-  
lows:—

- For the story pronounced the best \$100  
will be given.
- For the second best \$75.
- For the third best \$60.
- For the fourth best \$40.
- For the fifth best \$25.

The competition is open to residents of the  
Dominion of Canada, who have never won a  
cash prize in a story competition, and is sub-  
ject to the following rules:—

Each story to contain not more than three  
thousand words

The writer of the story shall affix a pen  
name, initials or motto to his or her manu-  
script and shall send with the manuscript a  
sealed envelope bearing on the outside the  
pen name, initials or motto attached to the  
story, and containing inside it the full name  
and address of the writer thereof.

We impose no limitations whatever as to  
the nature of topic written upon, and the  
scene of the story need not necessarily be laid  
in Canada, although competitors must be resi-  
dents of Canada, as above stated.

Stories entered in the competition must be  
written on one side of the paper only, and  
when possible should be typewritten.

Manuscripts to be sent flat or folded—NOT  
ROLLED.

All stories for competition must reach the  
Dr. Williams' Medicine Co., Brockville, Ont.,  
on or before the first day of July, 1895, and  
should be marked "For Literary Competi-  
tion."

Decision will be made as follows:—All  
stories submitted will be referred to a com-  
petent committee who will decide which are  
the best five stories. These stories will then  
be published in pamphlet form, which pamph-  
lets will be distributed throughout the Domi-  
nion, and each will contain a voting paper  
upon which readers will be invited to express  
their preference. The story obtaining the  
highest number of votes will be awarded the  
first prize. The one obtaining the second  
highest number will be awarded second prize,  
and so on until the five prizes are awarded.

The voting will close on the first day of  
December, 1895, and the committee will then  
publish the names of the successful competi-  
tors and the order of merit.

Unsuccessful manuscripts will be returned  
when stamps are sent for postage.

The five stories selected are to become the  
absolute property of the Dr. Williams Medi-  
cine Co., with their copyright in perpetuity.

The decision of the committee and the  
counting of votes to be absolute and final, and  
all persons entering the competition agree, by  
doing so, to accept the decisions of the com-  
mittee and the Dr. Williams' Medicine Co. as  
final on all points whatsoever.

Correspondence in regard to unsuccessful  
MSS. declined, even when stamped envelopes  
are sent; any stamps so sent (for any other  
purpose than the return of the MS. at the  
time of first sending) will be put in the poor  
box.

The Dr. Williams' Medicine Co. will take  
all precautions to safeguard MS. entrusted to  
their care, but in no case do they assume any  
responsibility for fire, accident or loss of un-  
successful MS. Authors are therefore advised  
to keep copies.

The stories must be original. Any one  
sending copied matter will be liable to punish-  
ment for fraud, and a prize of \$25 is offered  
to the first person who points out the fact  
that any story passed by the committee is  
otherwise than original, in the unlikely event  
of such an oversight occurring.

All stories entered in the competition must  
be addressed to the Dr. Williams' Medicine  
Co., Brockville, Ont., and marked on the en-  
velope "For Literary Competition."

Artificial india-rubber from cottonseed oil  
is one of the latest industrial products, says  
*The Tradesman*, London. The discoverer  
states that, while experimenting with cotton-  
seed oil to produce a varnish for painting, he  
obtained a substance entirely foreign in its  
make-up and properties to what was sought—  
not a varnish, but a rubber. So simple is the  
process, as alleged, that it is not within the  
protection of a patent—the only safeguard  
being, therefore, in the secrecy of the process,  
by the use of which, it is asserted, only fifteen  
per cent. is required of the genuine rubber to  
produce an article which can in no way be  
distinguished from the ordinary crude india-  
rubber.
