Stinson & Co. was accepted, it being the best. They offered \$113,451 for the \$100,000 worth of bonds.

The finance committee of the Winnipeg city council has recommended the acceptance of the tender of Hanson Bros., of Montreal, of \$75,809, and accrued interest of local improvement debentures. It was the highest offer yet received, and indicated the standing of Winnipeg bonds on the eastern markets.

The property owners of Outremont have voted on a by-law authorizing the Council to borrow one hundred thousand dollars to be expended on road improvements and drainage. The by-law was carried by an overwhelming majority. One of the improvements to be paid for out of this loan is the widening of Cote St. Catherine road, which is already in progress. Extensive building operations are expected as a result of this loan, as a number of proprietors have only been waiting for an assurance that sewers would be supplied before commencing to build.

At a recent meeting of the finance committee of the Winnipeg city council, the tenders for the purchase of city of Winnipeg debentures amounting to \$46,500 were opened. This amount is divided up between Winnipeg Industrial Exhibition and the construction of the Osborne street bridge, \$30,000 going to the former and \$16,500 to the latter. The following tenders were received: W. H. Cooper, \$101.50; Yorkshire Guarantee and Securities Corporation, \$98.56; James Meldrum, \$101.55; Hanson Bros., \$102.06; O. H. Naton, \$100.55. Three other firms tendered in lump sums, viz.: H. O'Hara, \$46,616; A. E. Ames & Co., \$47,151; G. A. Stinson & Co., \$47,347. These debentures run for a term of 35 years and bear 4 per cent interest, payable half yearly at Winnipeg. The tender of Hanson Bros., of Montreal, was accepted.

#### Miscellaneous.

The Winnipeg Board of Works have decided to construct a 6-foot flume on Maryland street, at a cost of \$7,000.

Brown & Semple, have been awarded the contract for plumbing and heating the new addition to the Dunham block, at Brockville, Ont.

Allen Bros., Grimsby, Ont., have found business good enough to compel them to build a new planing mill, which will be situated three miles out of town.

The roller mill and grain elevator of Mr. H. M. McLean, Quyon, were completely destroyed by fire about 1.30 on June 27th. Loss, heavy; partly covered by insurance. The mill will be rebuilt.

At thillia, Ont., the Tudhope Carriage Company is getting out plans for a \$15,000 enlargement to their premises. It will be a three-storey metal covered building, 50 feet wide by 140 feet deep.

Mr. F. Parent, contractor, has obtained the contract from the Montmorency Cotton Manufacturing Company for the construction of four new cottages for its employees, and for the club house of the Montmorency Social and Literary Club.
