WORKS LIKE A CHARM!

It is very easy to restore painted walls and woodwork to their original freshness if you will take a pailful of warm water, two sponges or cloths, and a tablet of "SUN-LIGHT" SOAP; apply the soap with one sponge or cloth, and remove the soap and dirt with the other; rinse the latter frequently and change the water often.

Ordinary soap contains too strong chemicals to use on paint; but while "SUNLIGHT" Soap is mild, it is very effective. Try it.
