bushel of 34 pounds. These quotations are practically nominal, as there is next to nothing offering, and the offering of a few cars would probably lead to lower prices, as the demand is limited and city dealers hold supplies sufficient to put them through the

DRESSED MEATS— The market holds steady, but the tendency of prices is lower. Lower prices are also looked for on mutton prices are also looked for on mutton shortly. We quote dressed hogs at 71-4 to 71-2c. Beef is quoted 61-2c to 71-2c. Mutton Se to 9c, as to quality. Veal 7 to 8c as to quality. Lambs \$2.50 to \$4 cach.

DRESSED FOULTRY—Good chickens will bring 60c to 70c per pair live.

will bring 60c to 70c per pair live, spring chickens 25c to 30c per pair; turkeys 10c per lb. live weight or 15c

VEGETABLES—The market is now well supplied with homo grown vege-tables in about every line. Potatoes there declined, as holders have been trying to force off stocks of old before new potatoes come in. western points, however, potatoes are scarce and a few cars could easily be picked up here at low prices to sup-ply points which are short of stock. Prices are: Potatoes, 20 to 30c per bushel; cabbage, 40 to 50c per dozen: equiliflower, 40 to 60e per dozen Green stuff is offered at 121-2 for onious, lettuce and radishes; 10e for rhubarb per dozen bunches; carrots and beets, 15c per dozen bunches; celery, 30 to 40c per dozen; green peas, 4 to 5c per lh.; cucumbers 75c per dozen.

HIDES.-Hides are firm at HIDES.—Hides are firm at prices quoted a week ago, and in some cases higher prices have been paid. It is said up to 8c was paid in a few instances. We quote green hides, No. 1, 71-2c; kip. 7 to 71-2c; calf 7 to 9c; deacon skins, 15 to 25c each; horse hides, 75c to \$1.75 each; colts, 25c each.

BUTTER- Creamery- The market for creamery butter is easier, owing to the decline in British Colum-bla markets. This week dealers have been paying 151-2c to 16c at the factories for good fresh goods.

BUTTER— Dairy— The market is

just about the same as described a week ago, and values are the same. but with an easier tendency. Buyers have been paying 10c to 11c at country points for round lots of good fresh dairy, as to quality. The tend-ency is easier. Much dairy butter ar-rived in bad condition, owing to hot weather. Butter should be shipped promptly and only in refrigerator

CHEESE-The market is easy. The top price pald factories is about 7c, and from that downward to 6c as to quality. Some lots of poor quality have been taken at 6c this week.

EGGS—The market holds firm. Dealers are paying 111-2c here, net, as last quoted, for receipts from the Inst quoted, for receipts from the country, of ordinary fresh. Some receipts arrived in very paor condition this week owing to hot weather. Strictly fresh, in a small way, are bringing higher prices.

WOOL—The market is weak. We quote 3 to 9c for good unwashed Manitoha fleece.

Manitoba fleece.
TALLOW—No. 1, 3 1-2c; No. 2, 21-2 to 3c.

SENECA ROOT—A few small lats have been offered. Buyers are paying 121-2 to 15c, and 16c has been pald in some cases.

HAY-Now hay is now offering very freely and the price has declined to \$5 to \$6 per ton for loose, on the street market. Old hay is preferred for horses, and brings \$10 to \$12 for loose per ton.

LIVE STOCK.

CATITLE—Some city butchers are killing only grain fed cattle which they bought earlier. Others are now killing grassers. Though the latter cost about le less than grain fed animals, they are not more profitable, owing to the heavy shrinkage in dressing. Grass beef is soft and wat-tery yet and shrinks heavily. We quote good grassers for butchers' use at 31-4 to 31-2c, with the market

SHEEP—A couple of ears of west-ern range sheep were in, costing 4c here. The tendency is easier and wo quote 31-2 to 4c off cars here, as

to quality.

HOGS—The market is steady at 5c for the most desirable hogs. We quote choice bacon hogs, weighing 150 to 250 lbs. at 5c per lb.; 250 to 300 lbs. \$4.25 to \$4.75; heavy hogs over 300 lbs., \$3 to \$1, as to quality, live weight.

# Grocery Trade Notes.

The salmon pack has started in British Columbia and a good average pack is expected.

At a conference between eastern wholesale grocers and sugar refiners, at Montreal, an agreement has been arrived at for the sale of domes-tic refined sugar. This arrangement consists of a scale of rebates, and in the event of a jobber making a cut manufacturors' price, he below the manufacturors price, he will forfolt his right to the rolate in question. Previously the refiners allowed 21-2 per cent. on lots of less than 250 barrels, and 31-2 on 250 barrels and over. The new scale is quite different. For 15 barrels the quite different. For 15 harrels the minimum quantity that refiners sell, and less than 80 barrels, no relate will be allowed. On 80 barrels and will be allowed. On 50 parrels and over a relate of 3c per 100 pounds will be allowed, and on 250 barrels and over a relate of 6c per 100 pounds. All transactions are subject to a further discount of 1 per vent-ten days. The actual effect of the new changes is a reduction of 1-8c to new changes is a remetion of 1-80 to 3-16e to the retailer, and the margin allowed to the wholesaler is from 3 4 per cent, though some chain that the cost of handling is 6 per cent.

### Elevator Agitation Quashed.

The following important announcement was Issued yesterday by Manager Whyte, of the Canadian Pacific railway .

"Commencing with this year's crop be Canadian Pacific Railway company will furnish cars to producers of grain to be loaded direct from wagons or teams, provided there be no un-reasonable delay about loading the

Heretofore, according to a rule of the railway, all grain had to pass through elevators, at points where standard elevators had been erected. This has led to much agitation among farmers against the restriction.

#### Cheese Markets.

Polleville, Ont., July 12.—The factories boarded 935 white and 160 colored Sales, 675 boxes at 73-Sc.
Ingersoll, July 12.—Offerings of cheese to-day were 1,029 boxes. Sale—225 boxes at 71-ic.

#### Ship Promptly.

A considerable quantity of dairy butter and eggs have reached this market in very bad shape this week, owing to the hot weather. Handlers owing to the not weather. Handlers of these products should ship promptly during the summer. Very few merchants in the country have proper storage for batter and eggs in warm weather, and the quality will deteriorate very fast. One warm day will promit in the latter and country will be the storage of the greatly injure butter and eggs, unless held in cold storage. Ship promptly and only in rearigerator cars.

C. F. Harris, barrister, Maclood, Alberta, has assigned to Wm. II. Har-

The present series of London wool sales continue to show firm prices. Fine merinos have advanced 71-2 to 10 per cent.
