WYETH'S BEEF. IRON AND WINE.

EXTRACT OF BEEF, CITRATE OF IRON AND SHERRY WINE

CAUTION !—We have reason to believe that our BEEF, IRON and WINE is being imitated by some (not over-scrupulous) Druggists of the Dominion of Canada. In some cases these imitations are put up in bottles similar to our own in style and appearance, having our labels copied verbatim, omitting only our name, so that purchasers might readily be deceived ; it therefore becomes necessary for us to "caution" you in ordering BEEF, IRON and WINE, to be particular in specifying our make (WYETH'S), and in seeing that you get the genuine article made by us.

This caution is also very necessary when buying BEEF, IRON and WINE, in smaller quantities than the original bottle, as we know other inferior makes are often substituted for our genuine article.

We claim that the reputation for this medicine was created by our preparation, and we believe it is the one exclusively prescribed by our leading physicians.

In ordering please specify "WYETH'S."

We will be glad to give quotations for compressing Special Formulæ of Lozenges, Triturates, Hypodermics, and Pills in quantities ; and also for Sugar Coating and for Special Formulæ Elixirs, Syrups, Fluid Extracts, etc. Price Lists and other printed matter and Samples will be sent by mail on application.
