SAVORY'S

Christmas Cards,
Calendars,
High-Class Pictures
and Xmas Novelties.

Our samples have been somewhat delayed this year—
but unavoidably, the line being much more elaborate
and of a wider range than yet produced. We shall
include with this line the fancy Gun Metal, Silver,
Nickel and Aluminum Inkstands, Cigar and Cigarette
Boxes, Holders and Cases, Pen Trays, Ash Trays, etc.,
ornamented with the Savory Publications, mostly the
Geo. Wright Hunting Pictures and "Astl Heads."
This is an exceedingly tasteful novelty, and will prove
a splendid selling line.

hend Art Metal Co., Limited, Birmingham, and

Fancy Brass Inkstands, Blotters, Calendars, Desk
