At its Convention held in Toronto, Nov. 20 and 21, 1889, the Ontario Association of Architects signified its approval of the CANADIAN CONTRACT RECORD, and pledged its members to use this journal as their medium of communication with contractors with respect to advertisements for Tenders.

The following resolution was unanimously adopted at the First Annual Meeting of the Province of Quebec Association of Architects, held in Montreal, Oct. 10th and 11th, 1890: "Moved by M. Perrault, seconded by A. F. Dunlop, that we the Architects of the Province of Quebec now assembled in Convention being satisfied that the CANADIAN CONTRACT RECORD affords us a direct communication with the Contractors, resolved, that we pledge our support to it by using its columns when calling for Tenders."

Subscribers who may change their address should give prompt notice of same. In doing so, give both old and new address. Notify the publisher of any irregularity in delivery of paper.

NOTICE TO BUILDERS

Tenders will be received for the erection and completion of a

BRICK METHODIST CHURCH

in the Village of New Lowell, up to MONDAY, APRIL THE 2ND, 1894.

Saturday, 31st Inst.

Plans and specifications may be seen at the Standard Bank, Chatham, or at the office of the Architect.

The lowest or any tender will not necessarily be accepted.

DAVID B. DICK, Architect,
17 Toronto St., Toronto.
21st March, 1894.

CONTRACTS OPEN.

MELANCTHON STATION, ONT.—An Orange hall will be built here.

AUBURN, ONT.—The Lutherans will build a new church this summer.

IROQUOIS, ONT.—The ratepayers have petitioned the Council to light the streets by electricity.

ST. TIMOTHIE, QUE.—The parishoners have decided to make improvements to the parish church.

CASSELMAN, ONT.—The new iron bridge over the Nation river was swept away recently by the floods.

BROUGHAM, ONT.—The Masons have in contemplation the erection of a hall during the coming summer.

MERRITTON, ONT.—A new parsonage will be erected in connection with the Methodist church at this place.

PORTAGE LA PRAIRIE, MAN.—A deputation recently interviewed the Dominion Government asking for a new post office at this place.

KINGSTON, ONT.—The Fire and Light Committee has recommended that the Brock street fire station be enlarged, at a cost of \$3,000.

HALIFAX, N. S.—The City Treasurer has been authorized to advertise for a loan of \$20,000 for the purpose of constructing necessary sewers.

FATHER POINT, QUE.—A petition has been forwarded to the Dominion Government asking for the construction of a deep water pier at this place.

NANAIMO, B. C.—The Council has appointed a committee to report on the

advisability of purchasing an electric light plant for street lighting.

BRACEBRIDGE, ONT.—James Boyer, Secretary School Board, will receive tenders until the 2nd of April for the erection of a brick addition to the public school.

LONDON, ONT.—Mr. A. W. Fraser has taken out a permit for the erection of two double houses on Waterloo street, between Princess and Dufferin avenues, to cost \$7,200.

VICTORIA, B. C.—The by-law authorizing the Council to issue debentures to the amount of \$55,000 for the purchase of an electric light plant was carried by the ratepayers.

PRESCOTT, ONT.—Proposals are invited by Mr. W. A. Whitney, Chairman Finance Committee, until the 31st inst. for the purchase of \$4,000 of high school debentures.

STOUFFVILLE, ONT.—Tenders are invited by the corporation for the purchase of \$10,000 of debentures; A. G. Brown, town clerk.—The public school building here is to be enlarged.

AMHERST, N. S.—Mr. H. M. Mott, architect, of St. Johns, has prepared plans for a new Baptist church to be erected in this town. The building will be 70 x 100 feet, and the vestry 40 x 46 feet.

VALLEYFIELD, QUE.—Bishop Emard intends to erect a large commercial college here during the present year; an agricultural school will also be established in connection with the college.

FORT WILLIAM, ONT.—It is proposed to form a joint stock company here to erect a new hotel for Mr. E. J. Rochon.—A petition is being circulated asking the Council to proceed with the construction of a system of waterworks.

COTE ST. ANTOINE, QUE.—The School Commissioners are asking for tenders for the purchase of \$75,000 worth of bonds, to be issued for the purchase of a site and the erection of a new school building. Particulars may be obtained from E. W. T. Raddon, Secretary Treasurer.

EDMONTON, N. W. T.—Major MacAuley and Mr. Kirkpatrick recently interviewed the Dominion Government at Ottawa asking assistance towards the construction of a bridge across the Saskatchewan river at this place. The estimated cost of the bridge is \$75,000.

ST. STEPHEN, N. B.—Mr. Holt, C. E., has secured the acceptance by the Government of his plans for the proposed steel bridge between St. Stephen and Calais. The Calais authorities have also approved of the plans, and the contract for the construction of the bridge will be awarded at an early date.

ST. THOMAS, ONT.—The sum of \$15,500 has been subscribed towards the proposed new opera house, and it is the intention to erect the building this summer.—At a recent meeting of the stockholders, Dr. McLarty was elected president of the company, W. R. Jackson, vice-president, and S. O. Perry, secretary.

WOODSTOCK, ONT.—Plans will be prepared at once for the new hospital building. Tenders are being received for alterations and additions to the "Sentinel Review" office and for alterations to cottages on Graham street for the building Society.—Plans are being prepared for residences for Mr. W. T. McMullen and Mr. Maundrel, of the firm of Lesleman & Maundrel, lumber merchants.

OTAWA, ONT.—A deputation from the City Council will shortly wait upon the Minister of Public Works to urge the placing in the Dominion estimates of an appropriation for the construction of a new bridge across the canal at Maria street.—Messrs. Grant Bros. will erect four brick stores on Bank street.—Mr. John A. Brouse is preparing for the erection of a tenement house on O'Connor street, estimated to cost \$4,500. Douglas Bros. and Mr. Alex. Robinson contemplate the erection of brick stores.

MONTREAL, QUE.—J. Alcide Chausse, architect, is preparing plans for two stores and dwellings to be erected at corner Ste. Catherine and Parthenais streets for Mr. J. St. Martin; the same architect is receiving tenders for the erection of four stores and eight dwellings on St. James street, near Canning, for Mr. Philias Vanier.—The assessors have reported that it will cost \$28,000 to open Arcade street through the Grothe property.—Mr. Alex. Robertson invites tenders on behalf of the Harbor Commissioners until the 3rd of April for blasting and dredging rock under water at the Windmill Point Basin, Montreal Harbor.

BROCKVILLE, ONT.—Mr. Kivas Tully, chief architect for Ontario, and Mr. R. Christie, inspector of asylums, was in town recently for the purpose of laying before the Town Council a plan of the new asylum grounds in order that the commissioners may be able to make a proposition to supply the new buildings with water from the town waterworks. Should a satisfactory arrangement be arrived at it would probably necessitate the erection of a stand pipe or the purchase of additional pumping plant.—The Brockville Amateur Athletic Association have leased a piece of ground on the water front on which to erect a club house, for which plans are being prepared.

HAMILTON, ONT.—The City Council has granted the request of the School Board to issue debentures to the amount of \$40,000 for the erection of two eight-roomed schools. The request for funds for a Collegiate Institute site was not granted.—The Hospital Committee will recommend that a by-law be submitted to the ratepayers to issue debentures to provide the sum of \$20,000 to build a Fever Hospital and House of Refuge.—The City Council has given notice of its intention to construct pipe sewers on the following streets: Wentworth street, King William street, Hughson street, Fairmount avenue, Hess street, Robinson street, Ray street, Hunter street, Grove street and Ashley street. The cost of the work
