## LANDSCAPE WORK

In developing lawns and estates great care and judgment is required in the locating of walks and drives, and selecting suitable varieties of trees and shrubs to be planted, and the arranging of them artistically. Many homes lose their charm for lack of knowledge and experience in developing the grounds. This difficulty is overcome by our Landscape Department, which is in charge of experienced men qualified to develop grounds of city and country homes, large estates, school and public grounds, parks, cemeteries or factory lands. Now is the time to discuss Fall or Spring work.

Correspondence solicited.
