This Beautiful
Edition of the
Celebrated

KNIGHT'S SHAKSPERE

Is issued in fourteen (14) volumes, bound in half leather and in cloth with gilt tops. A limited edition is now offered to our readers at a trifle more than half the regular subscription price.

Knight's Shakspeare is really a Complete Shaksperian Library. No matter how many sets of Shakspeare you have you need Knight's. This is the COMPLETE EDITION, with additional new material. Notice the following SPECIAL FEATURES, found in no other edition.

The Text.

Founded on the best authorities, carefully printed in clear type, and edited by the great Shaksperian scholar, Charles Knight.

Notes and Analyses.

An article on each play is given, which is largely an analytical view of the plot and characters, with much interesting information about the histories, stories and ballads used by Shakspeare in writing the plays.

A Complete Index.

The most complete subject index of Shakspeare ever published is a part of this edition. By this index all references to any subject in plays or poems can be readily found. Under "Diseases" and "Law" are grouped together all Shakspeare's allusions to law and medicine, and the same plan is followed with all subjects of importance. **It is a concordance as well as an index.**

In addition a SOUVENIR PORTFOLIO of six magnificent photogravure reproductions of CELEBRATED PAINTINGS WILL BE SENT FREE. This ART COLLECTION consists of large plates for framing of the following subjects: Portrait of Shakspeare, Romeo and Juliet, Desdemona, King Lear and Cordelia, Hamlet, Falstaff recruiting.

ONLY HALF SUBSCRIPTION PRICE.

Terms.

The complete set will be sent free of charge, with the art portfolio, in cloth, on receipt of one dollar and then \$1.00 per month for thirteen months. In the beautiful half leather binding (which we recommend), for \$1.00 and then \$1.25 per month for thirteen months. We allow ten per cent. discount for cash.

CANADIAN MAGAZINE.

A Glossary to Each Play.

These glossaries are really a dictionary of words and phrases, manners and customs, scenery and costume, characters of history, geographical and historical references, and facts of science and natural history used in the plays.

Life of Shakspeare.

Knight's celebrated life of the great poet is given complete. It is not only a biography, but also criticisms pertaining to many things of interest in connection with the plays.

Various Readings.

At the close of each play is given a list of the different readings of passages shown in the various early editions. These various readings are accompanied by critical notes and estimates.

Illustrations.

The Frontispieces are reproductions in photogravure of the most celebrated Shaksperian illustrations, part of them being from the famous paintings of the Boydell gallery.
