are the delight of every lady who wears one, and the greatest success, not only in America, but also in Paris (France), where Mons. Armand personally had it demonstrated with great success.

### ARMAND'S SELF-FASTENING SWITCH PATENT.

Patented July 19th, 1900.

Already unscrupulous and unreliable dealers are advertising worthless imitations fastened with a **String**, not with a Spring like ours. Any infringement on **Armand's Patent Self-Fastening Switch** will be vigorously prosecuted. Ladies buying a **Self-Fastening Switch** should be careful, as it may lead them into unpleasant trouble. All our Patent Switches bear our name. There never has been a switch which is so universally admired. Prices from \$5.00, \$6.00 to \$25.00. Mail Orders promptly attended to. Send sample of hair and the amount and plain address. All goods sent concealed from observation.

**ARMAND'S INSTANTANEOUS GREY HAIR RESTORER** is the best preparation in the market. It restores any grey hair to its original color. The hair can be washed, curled and dressed as before. The color is lasting and natural. Price, \$5.00 per box, or two for \$5.00. When ordering, send sample of your hair, and we will send you the right shade. Mention this Magazine.
