All Travelers

Whether by land or sea, who are liable to be out of reach of drug stores and doctors, would do well to have a supply of Ayer's Pills at hand. For this purpose, the Pills are put up in bottles as well as boxes, and may be conveniently carried in one's pocket. Six of the most distinguished physicians of Syracuse, N. Y., in giving their joint testimony as to the excellent medical combination of Ayer's Pills, make this point: "Their beautiful coating of gelatine and sugar is a great advantage, in that it protects them from change by time or climate, and renders them pleasant and even agreeable to take."

"During the twenty-five years I have lived on the frontier," writes John McDowall, of Sweetwater, Col., "Ayer's Pills have been my best friend. I have lived, mostly, where there was no doctor within twenty miles, and have been hard sick several times. I always kept Ayer's medicines on hand, and with them, and the Almanac, have pulled through. I have also doctored others, and believe I have saved some valuable lives by the use of Ayer's Pills."
