Canadian Industrials

Analysis of Laurentide, Page 49; Wayagamack report, Page 37; Position of Canada's industrials as shown by recent annual reports. Comments of London Critic. **Page 33**

Life Insurance Topics

Religion and Life Insurance, Page 15; Selling, Page 16; Too Late for Insurance, Page 15; Good Agents, Page 58; Against Taxation, Page 60; Loans on Life Insurance Policies. **Page 30**

Investments in Nova Scotia

Fifteen years ago the investment situation in Nova Scotia was of practical and immediate interest to all Canadian life insurance companies. *By F. B. McCURDY, M.P.* **Page 5**

Print and Investment

Concerning childlike faith in the average prospectus and the lady who was flattered because she learned someone knew she had money lying idle. *By STEPHEN HUTCHINGS.* **Page 17**

About Nova Scotia

A man there is in Canada who carries about a pill-boxful of resentment because some years ago a Halifax bank manager, in his stockinged feet, received him thus. **Page 21**

Preparing for Panama Canal

A note of the numerous activities on Canada's Pacific Coast at Vancouver, Victoria, and elsewhere in preparation for the long-expected Panama Canal trade. **Page 8**

Canadian Loans Reviewed

Criticisms, sharp and sweet, regarding Canadian loans abroad; the Winnipeg water board loan was a new kind for London; large shares left to the underwriters. **Page 18**

Repayment of Municipal Loans

Instalment method of repaying municipal loans explained and its advantages and drawbacks outlined by a Saskatchewan local government board officer. *By S. P. GROSCH.* **Page 60**
