Notwithstanding the financial depression of the year 1823 it was the tsuccessful in the history of this progressive company. The New Busicompleted is greater than that secured by any other Canadian company ne year, and must be gratifying to policyholders and directors alike.

Substantial increases have been made in New Business, Tetal Business in Force, Income and Assets.

The prosperous condition of the bun Life of Canada is doubtless due to its fair treatment of policyholders, its unconditional policy and prompt payment of death claims.
