

ENTRANCE INTO LIFE.

It is doing a service to mankind to destroy the prejudices which generally obtained that youth is educated when some care has been taken of their infancy.

REMEMBER THEIR INFIRMITY.

Deal gently with the peculiarities of old people; they have their own troubles to bear, and not least among them is a sense of their own uselessness and inability to keep pace with the times.

JOHN JACKSON & CO., (Successors to McLEOD, WOOD & Co.,) ORGAN & MELODEON MANUFACTURERS.

Having now been established in the manufacture of Musical Instruments for several years, we must acknowledge our appreciation of the kindness and justness of the people which has tended to prosper and increase our business and reputation far above our expectation.

Our trade mark, 'Cromona and Celesto Organ,' is placed upon the nameboard or key slip of all Organs manufactured by us, and having been registered for our sole use, all parties are cautioned not to infringe on the said trade mark.

We claim special attention to our Vox Celesto Organs, No. 27 and No. 34. The Vox-Celesto Reeds were first introduced in Canada by us in 1860, in a 6 reed organ, which took the first prize at the Provincial Fair held that year in London.

We manufacture the most popular styles, and introduce all the latest improvements.

ORGANS AND MELODEONS At the Provincial Exhibition, Hamilton, and Central Exhibition, Guelph.

This grand success, in addition to last year's record of a Silver Medal, 3 Diplomas, and 12 First Prizes, prove that our Instruments in the opinion of competent judges are incomparably superior to all others.

Sole Proprietors of the ORGANETTE, containing Scribner's Patent Qualifying Tubes, acknowledged by all to be the greatest improvement yet introduced. Their superiority is conceded by other makers, from the fact that at Guelph they withdrew from competition, thus acknowledging their inability to compete with them.

Every instrument fully warranted for five years. Send for catalogue containing fifty different styles of instruments.
