## Sturtevant

(REG. U. S. PAT. OFF.)

### Stationary Vacuum Cleaners

are well known as machines that give no trouble, and like all Sturtevant Apparatus, they last a lifetime.

The Cleaner is simplicity itself—nothing to wear out—just one moving part, the fans and motor on one shaft.

Sturtevant Vacuum Cleaners inherit the merits of a long ancestry. For more than half a century we have been the largest builders of air-handling apparatus in the world. We know just what fan is needed for every service. Besides being scientifically sound, Sturtevant Cleaners are well made. They are

**Built With a Conscience**

and

**Sold With a Guarantee**

All sizes to suit every type of building.

Why not let us send our catalogue?
