I CURE FITS!

When I say cure I do not mean merely to stop them for a time and then have them return again. I mean a radical cure. I have made the disease of FITS, EPILEPSY or FALLING SICKNESS a life-long study. I warrant my remedy to cure the worst cases. Because others have failed is no reason for not now receiving a cure. Send at once for a treatise and a Free Bottle of my infallible remedy. Give Express and Post Office. It costs you nothing for a trial, and I will cure you. Address DR. H. G. ROOT, Branch Office, 37 Yonge St., Toronto.

A WONDERFUL REMEDY.

The value of Ayer's Cherry Pectoral, in the protection it affords from the dangers of pulmonary disorders, cannot be over-estimated. Mr. C. K. Phillips, Pittsburg, Pa., writes: "About three years ago I had severe Laryngitis, which resulted in chronic hoarseness. By the use of Ayer's Cherry Pectoral I have since entirely regained my health." Mr. Henry Russell, Excelsior Printing Co., New York, writes: "Influenza became epidemic in my neighborhood. Several members of my family suffered severely with it, all of whom took Ayer's Cherry Pectoral, and were cured by it in a few days. It is a wonderful medicine for Influenza. Too much cannot be said in its favor."

E. M. Sargent, 41 Andover st., Lowell, Mass., says: "I commenced using Ayer's Cherry Pectoral about the year 1842, as a family medicine, for Coughs and Colds, and have always kept it in my house since that time. I consider it the best remedy that can be had for these complaints." Dr. J. B. Robertson, Clayton, N. C., writes: "I have used Ayer's Cherry Pectoral, in my family and practice, for a number of years, and have no hesitation in recommending it. It is an admirable preparation, and well-qualified to do all that is claimed for it." E. J. Styers, Germantown, N. C., writes: "Ayer's Cherry Pectoral is the best Cough preparation I ever saw. It gives instant relief."

Ayer's Cherry Pectoral

has cured a Cough in a few doses. It always relieves irritation of the lungs or throat, and arrests the tendency to inflammation. It strikes at the foundation of all Pulmonary diseases, is without a rival as an expectorant, and is a sure cure for the most obstinate Coughs and Colds. L. Garrett, Texana, Texas, writes: "I have used Ayer's Cherry Pectoral in my family for twenty years. For throat and lung diseases, I consider it a wonderful remedy."

CATARRH CATARRHAL DEAFNESS A HAY FEVER NEW TREATMENT. Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and Eustachian tubes. Microscopic research has proved this to be a fact, and the result is that a simple remedy has been formulated whereby these diseases are permanently cured in from one to three simple applications made at home. A descriptive pamphlet is sent free on receipt of stamp by A. H. DIXON & SON, 303 1/2 King Street West, Toronto Canada.

Received the Highest Awards for Purity and Excellence at Philadelphia, 1876; Canada, 1876; Australia, 1877, and Paris 1878.

Rev. P. J. Ed. Page, Professor of Chemistry, Laval University, Quebec, says:—I have analysed the India Pale Ale manufactured by John Labatt, London, Ontario, and have found it a light ale, containing but little alcohol, of a delicious flavour, and of a very agreeable taste and superior quality, and compares with the best imported ales. I have also analysed the Porter XXX Stout, of the same Brewery, which is of excellent quality; its flavour is very agreeable; it is a tonic more energetic than the above ale, for it is a little richer in alcohol, and can be compared advantageously with any imported article."
