AN INTERESTING POSITION.

The April number of La Stratagie contains a remarkable proof of the liability of even the greatest players and analysts to overlook a winning line of play, notwithstanding the importance of the contest. In a game played in the Handicap Tournament of the Parisian Cercle des Echecs, on the 26th January, 1884, between Messrs. Clerc and Chamier, two of the strongest players in France, the following position occurred after Whites 14th move. White (M. Clerc) K K R 1 Q K B 3 Rs Q R 1, K B 1, Kts Q B 3, K 2. Bs Q 3, Q 2. Ps Q R 2, Q Kt 2, Q B 2, K 4, K B 2, K Kt 2, K R 2. Black (M. Chamier) K K Kt 1, Q Q 1, Rs Q R 1, K 1, Kts K Kt 3, K R 4, Bs Q B 1, Q B 4, Ps Q R 2, Q Kt 2, Q B 2, Q 3, K R 2, K Kt 2, K R 3. At this point Black having the move played Q K R 5, and the game resulted in a draw. M. Rosenthal, the French champion, who annotates the game, declares this move to be a premature attack, and suggests R K 4 as the stronger play.

Now we have carefully examined the position, and with all due deference to the opinions of such eminent players, we are confident that had M. Chamier played Kt K 4 he would have won easily, e.g., 14 Kt K 4 15 Q takes Kt 15 B K Kt 5 and Black wins the Q for two minor pieces.

NEWS ITEMS.

MR. HERBERT JACOBS has won the championship of the County of Surrey, England. STERNITZ says if the match with Zukertort does not take place in America now it will never take place.

DURING Zukertort's visit to Chicago he was beaten in two Allgaier Gambits by Mr. Adair, a Chicago lawyer, who, playing the champion single handed and with even forces, sacrificed the Kt and won in great style.

THE Commercial Gazette states that "while in New Orleans, Dr. Zukertort met Paul Morphy on Canal Street, and Mr. Morphy, who had known Dr. Z. in Paris years ago, came up and saluted him in French. Mr. Morphy said that urgent business had compelled his retirement from chess. The two met again on the same street, and Mr. Morphy spoke of imagined personal grievances, that showed plainly the condition of his mind. Dr. Zukertort is not hopeful that Mr. Morphy can be restored to mental health."
