(b) The amounts to be assessed to the States consenting thereto in respect of each calendar year commencing with the year 1951, shall be determined by the Council, and notified to the States, as soon as practicable after the 1st September of the preceding year in accordance with the following provisions, separately with respect to the LORAN Services and with respect to the Greenland Services:

(I) The total assessments for each calendar year shall be determined,

(i) by taking the estimated total costs of the Services for that year computed in accordance with the provisions of Annexes II and III hereto;

(ii) by deducting from such costs the portion thereof to be borne by Denmark, namely 5 per cent for the LORAN Services and 10 per cent for the Greenland Services; and

(iii) by adding to each balance an amount not in excess of 10 per cent of that balance for the purposes specified in sub-paragraph (c) of this paragraph.

(II) The total assessments shall be apportioned between the States in accordance with the percentages specified in the following tables or such revised percentages as may be established in accordance with paragraph 4, provided that no State shall be assessed for an amount exceeding the maximum specified in such tables unless it consents thereto:
