

Syllabus

4. Training provided pursuant to this agreement will be as prescribed by the Chief of the Defence Staff of the Canadian Forces with the syllabus including:

- (a) instruction in English at a Canadian Forces Language Training Centre in Canada;
- (b) aero-medical and high altitude indoctrination training;
- (c) 130 hours basic flying training on Tutor Aircraft;
- (d) 30 hours familiarization training on Silver Star T33 Aircraft; and
- (e) academic ground training throughout the aforementioned flying training periods.

Training Reports and Returns

5. A training file shall be maintained in respect of each trainee which, together with a final training report in respect of each trainee, shall be submitted by authorities of the Canadian Forces to the appropriate Italian authorities.

Liaison Officer

6. The Italian Government shall provide a liaison officer whose rank shall be not less than Major. The liaison officer will be located at Training Command Headquarters where he will assist as a member of the air training staff in the carrying out of this agreement.

7. The Canadian Forces will provide the liaison officer with the opportunity and facilities for continuation of flying training.

8. A married quarter, if available, will upon request be provided for the liaison officer. Charges for a married quarter so provided shall be the same as those charged to a member of the Canadian Forces of equivalent rank and shall be paid by the liaison officer.

Medical and Dental

9. The Italian Government shall ensure that trainees meet physical and medical standards necessary for the training in accordance with standards prevailing in the Italian Armed Forces.

10. Authorities of the Canadian Forces may require trainees to undergo from time to time such medical and dental examinations as, in the opinion of such authorities, are necessary.

11. The liaison officer and trainees shall be provided, at the expense of Canada, medical and dental care to the same extent and under the same circumstances as such care is provided to members of the Canadian Forces.

Pay and Allowances

12. The Italian Government shall arrange for and bear the cost of the pay and allowances and other emoluments payable to the liaison officer and trainees as members of the Italian Forces.
