

ANNEX  
SCHEDULE OF ROUTES

Code-share services only

SECTION IV

Code-sharing services may be provided on the following route in either or both directions by the airline or airlines designated by the Government of Canada:

Points in Canada	Intermediate Points	Points in Finland	Points Beyond
Any point or points	Any point or points	Any point or points	Any point or points

NOTES:

1. Subject to the regulatory requirements normally applied by the aeronautical authorities of Finland, the designated airline or airlines of Canada shall have the right to enter into cooperative arrangements for the purpose of operating agreed services by code-sharing, that is, selling transportation under its/their own code on flights operated by the designated airline or airlines of Finland and/or flights operated by any third country airline or airlines. Such operations on agreed services may include the selling of transportation on domestic flights in Finland operated by any designated airline or airlines of Finland. All airlines involved in code-sharing arrangements shall hold the appropriate underlying authority.
2. Notwithstanding Article III of the Agreement, the designated airline or airlines of Canada shall be permitted to transfer traffic between aircraft involved in code-sharing operations, without restriction as to number, size and type of aircraft.
3. Notwithstanding Article XI, paragraph 5 of the Agreement, there shall be no limitation on capacity, i.e., frequency and type of aircraft, offered on code-share services by the airline or airlines designated by the Government of Canada.
4. Fifth freedom rights shall not be exercised by a designated airline on flights on which that airline operates a code-share service. Intransit rights shall be available at Intermediate Points and at Points in Finland. Own stopover
