**Mr. Hays:** Mr. Speaker, we would like to vote on it.

**Mr. Deputy Speaker:** Order. I am afraid the motion has been declared by the Chair as being carried.

**Some hon. Members:** Oh, oh.

**Mr. Deputy Speaker:** Order. There is nothing before the house at the moment, and the Chair has to recognize a motion made by the government on the government's bill.

Mr. Hays, seconded by Mr. Sauvé, moves that I do now leave the chair for the house to go into committee of the whole—

**Mr. Peters:** Mr. Speaker—

**Mr. Deputy Speaker:** Order. Obviously the hon. member cannot move anything now when there is nothing before the house.

**Mr. Peters:** Mr. Speaker, I want to point out—

**Mr. Deputy Speaker:** Order. The Chair is now reading the motion put by the minister, who is the sponsor of the bill on which second reading has just been given. Mr. Hays, seconded by Mr. Sauvé, moves that I do now leave the chair for the house to go into committee of the whole on the said bill. Is it the pleasure of the house to adopt the said motion?

**Some hon. Members:** On division.

**Some hon. Members:** No; carried.

**Mr. Deputy Speaker:** Carried on division.

**Some hon. Members:** No.

Motion agreed to on division and the house went into committee. Mr. Lamoureux in the chair.

On clause 1—*Short title.*

**The Chairman:** The hon. member for Rosthern.

**Mr. Nasserden:** Does the minister want to speak first, Mr. Chairman?

**The Chairman:** Order. May we please have order in the committee. There are conversations which prevent the Chair from hearing the hon. member for Rosthern.

**Mr. Nasserden:** Mr. Chairman, this bill is one of the most interesting ever to have come before parliament. A few moments ago someone across the way used the phrase, "the farmers' friend," and I want to say that he who is responsible for bringing this measure before parliament certainly cannot claim the distinction of being the farmers'

**Mr. Brown:** Mr. Speaker, I was paired. Had I voted I would have voted against the amendment.

**Mr. Cowan:** Mr. Speaker, I was paired. Had I voted I would have voted against the amendment.

**Mr. Mackasey:** Mr. Speaker, I was paired with the hon. member for Bow River (Mr. Woolliams). Had I voted I would have voted against the amendment.

**Mr. Ormiston:** Mr. Speaker, I was paired. Had I voted I would have voted for the amendment.

**Mr. Deputy Speaker:** Mr. Favreau, for Mr. Hays, seconded by Mr. Sharp, moves that Bill No. C-121, an act to provide for the extension of credit to farm machinery syndicates, be now read a second time. Is it the pleasure of the house to adopt the said motion? Agreed. Carried.

Motion agreed to and bill read the second time.

*And more than five members having risen:*

**Some hon. Members:** Too late.
