

10. (a) It is not known how many samples of barley, submitted by growers to maltsters, graded No. 1 and No. 2 Feed and were considered acceptable for malting or what quantities of on-farm barley these samples represented. (b) The Canadian Wheat Board's selected barley permit records are not maintained in a manner that would enable a quantity breakdown by grades.

PUBLIC SERVICE—EMPLOYMENT OF MR. AND MRS. ANDRÉ ROY

Question No. 2,597—Mr. Cossitt:

1. Is Mr. André Roy employed by the government as a language teacher or in any other capacity and, if so (a) on what date did such employment commence (b) what is the salary involved?
2. Was Mr. Roy, at the time he was hired by the government, facing charges relating to FLQ terrorist activities and, if so (a) what was the exact nature of each charge (b) was the government aware that such charges existed?
3. Is Mrs. André Roy employed by the government and, if so (a) in what capacity (b) since what date (c) at what salary?
4. Is it government policy to hire persons of the FLQ, former members of the FLQ or known separatists to positions in the Public Service?

Hon. James Hugh Faulkner (Secretary of State): I am informed by the Public Service Commission as follows: 1. Mr. André Roy has been a language teacher with the Public Service Commission since April 4, 1972. The salary range of a language teacher is \$8,025 to \$17,531.

2. Yes. (a) The exact nature of each charge is not known because the charges were later withdrawn; (b) the Public Service Commission was unaware of such charges at the time of hiring since a police and security clearance was not required for language teachers at that time.

3. Mrs. André Roy has been employed in the government as a CR 4 since November 20, 1972. The salary range of a CR 4 is \$7,496 to \$8,238.

4. No.

POST OFFICE—NUMBER OF EMPLOYEES CLASSIFIED AS LETTER CARRIERS

Question No. 2,667—Mr. Orlikow:

1. How many employees of the Post Office Department are classified as letter carriers?
2. Of this number (a) how many resigned from the service in each of the past three years (b) what were the reasons given for such resignations?

Hon. André Ouellet (Postmaster General): 1. As of April 1, 1973, 12,599 (Note: only full-time personnel, both supervisory and non-supervisory, are being considered above).

2. Information on resignations is available for only the previous fiscal year (1 April 1972 to 31 March 1973). (Note: It is impossible to distinguish between letter carriers and mail-service couriers with respect to resignation information.) (a) Total number of letter carriers and mail-service couriers who resigned during the previous fiscal year, 620. (b) Outside employment, 162; Return to School, 37; Personal Reasons, 259; Number who resigned and gave no reason, 162.

Order Paper Questions

POST OFFICE—NUMBER OF EMPLOYEES CLASSIFIED AS MAIL SERVICE COURIERS

Question No. 2,668—Mr. Orlikow:

1. How many employees of the Post Office Department are classified as mail service couriers?
2. Of this number (a) how many resigned from the service in each of the past three years (b) what were the reasons given for such resignations?

Hon. André Ouellet (Postmaster General): 1. As of April 1, 1973, 1,738 (Note: only full-time personnel, both supervisory and non-supervisory are being considered above).

2. Information on resignations is available for only the previous fiscal year (1 April 1972 to 31 March 1973). (Note: It is impossible to distinguish between letter carriers and mail-service couriers with respect to resignation information.) (a) Total number of letter carriers and mail-service couriers who resigned during the previous fiscal year, 620. (b) Outside employment, 162; Return to School, 37; Personal Reasons, 259; Number who resigned and gave no reason, 162.

NUMBER OF BEARS KILLED IN PEACE RIVER REGION

Question No. 2,724—Mr. Stevens:

How many bears were killed this summer in the Peace River region (a) who killed them (b) what species were they (c) for what reason were they killed?

Mr. William Rompkey (Parliamentary Secretary to Minister of the Environment): Wildlife, except for migratory birds and fauna on national lands, is a provincial responsibility.

FERRY SERVICE—NORTH SYDNEY AND PORT-AUX-BASQUES

Question No. 2,741—Mr. Marshall:

1. Has any consultation taken place between the Department of Indian Affairs and Northern Development and the Department of Transport with regard to the need for additional ferry service between North Sydney and Port-aux-Basques to provide for the projected increase in tourists as a result of the establishment of the Gros Morne National Park?

2. Is the Department of Indian Affairs and Northern Development considering a direct service from North Sydney to any area in Bonne Bay and (a) if so, is consideration being given to providing harbour facilities to handle such a service (b) if not, will the Minister of Indian Affairs and Northern Development consider the provision of a service from North Sydney to Port-aux-Basques and Bonne Bay and the need for improved docking facilities in Bonne Bay?

Mr. John M. Reid (Parliamentary Secretary to President of the Privy Council): 1. The Department of Indian Affairs and Northern Development has not formally consulted with the Ministry of Transport regarding an increase in the ferry service between North Sydney and Port-aux-Basques.

2. No. (a) No; (b) No. This matter is not within the department's jurisdiction.
