Dear Sir Arthur:-

*file: Concert  
Proposed  
Hall*

I have just read your letter of the 3rd instant with interest. Personally, I do not feel that \$200,000.00 would cover the cost of a suitable building on the McGill Campus, to be used for various purposes, but this figure was mentioned by one who would like to see a Music Hall erected.

I am enclosing you a copy of my letter to Dr. Martin, dated December 21st, 1929, which explains itself, so you may be familiar with the subject when it comes up at the Joint Committee Meeting.

I note what you say about Dr. Collip, which is most interesting and I trust will develop as you anticipate for the benefit of the world at large.

With kind regards.

Yours sincerely,

*C. W. Lindsay*
