

of further use of the line until said fine shall be paid.

19. Central will cut off all lines at ten o'clock p.m. and connect said lines to night gong which is to be rung only for emergency calls, such as for Doctors, fire, burglars or for the purpose of stopping a crime, which might be prevented by such call. All persons calling Central after ten o'clock p.m. except as above stated will be charged a fee of fifteen cents for each said night call.
