MY DEAR SIR,

The appointment of the above Central Committee (of which you are a member) was deemed expedient by a number of influential reformers who met at Hamilton, shortly after it had become known that a Dissolution was at hand.

A meeting of the Central Committee has since been held here, at which it was resolved, that TOWNSHIP COMMITTEES should be organized whenever it became known that a Dissolution would positively take place.

That time *has now arrived*, and my present duty is, to request that you will, with the least possible delay, communicate with the other gentlemen of *West Flamboro* named above, and proceed to the organization of your Township, so that the utmost influence of the Reform Party therein may be brought to bear at the ensuing contest.

I am also directed to say, that each Township Committee is requested to adopt such plans as to the members thereof shall seem best fitted for the accomplishment of the grand object in view—namely, the TRIUMPHANT RETURN OF THE LIBERAL CANDIDATE.

I shall be happy to communicate with your Secretary, when I shall have received notice of your organization.

I am, my dear Sir,

Yours faithfully,

ROBT. SPENCE.

Dundas, December 11th, 1847.

W. Notman Esq

Dundas
