Commercial Summary.

A BRANCH of the Merchants Bank of Halifax  
has been opened at Kingston, Kent Co., N. S.

TENDERS are out for the construction of a  
woollen factory in Simcoe, which we believe is  
to be conducted on a large scale.

At a special meeting of the directors of the  
North Shore Railway, on Friday last, the presi-  
dent was authorized to proceed immediately  
with the construction of the road from Hunting-  
don to Longueuil.

The Craven Cotton Company (Limited) has  
been incorporated with a capital of \$225,000.  
The directors are Messrs: Clayton Slater, I.  
Cockshut, W. Buck and Jno. Harris, of Brant-  
ford, and Jas. Slater, of London.

Winsor, N.S., is agitating for the erection  
of a water supply service. A Halifax exchange  
says: Judging from the quality of water at  
present to be had in that town the building of  
such works would be a great improvement and  
a most necessary one.

An agricultural and industrial exhibition  
will be held at Truro, N.S., during the first  
week in October next. A prize list of \$2,500  
has been published. The competition is open  
to the whole Province, and no charge is made  
for entry of exhibits.

The number of failures reported in Canada  
last week was 11, an increase of 2 over the pre-  
ceding week; the number reported in the States  
was 131, an increase of 7 over the preceding  
weeks, and 49 more than for the like period last  
year.

The Morton Dairying, Farming and Coloniza-  
tion Co. of Manitoba, organized some time in  
February last, with a capital of \$1,000,000, have  
become incorporated. Among the promoters  
are Messrs. A. Hodgson, A. J. Brice, George,  
Bishop, Charles Huston, Thomas Cramp, John  
Smith and J. D. Crawford, of this city.

It is stated that a better system of mainten-  
ance of the streets of Montreal is about being  
inaugurated,—not before it was needed. Some  
of the aldermen state that during the last ten  
years the Corporation have spent \$1,500,000 on  
the streets, and to-day have nothing to show  
for it. The expenditure up till the 1st inst.  
amounted to \$100,000, and for the year, to  
\$200,000.
