SUPPLY—SEED GRAIN FOR NORTHWEST.

Motion extending the time for payment—Mr. R. S. Lake—2896.

Borden, R. L. (Carleton, Ont.)—2912.

Claims of new settlers—2912. Question of repayment—2913. Desire is to make regulations in interests of all concerned—2913-14. Position of the provincial government—2914. Difficulties of administration—2915. Favours amendment—2916.

Fielding, Hon. W. S. (Minister of Finance)—2916.

Proper course would be after full discussion, to have suggestion made left to the consideration of the Minister of the Interior and his officials—2916. Provinces should be consulted before changing regulations—2916. Time of repayment dealt with in regulations which could be amended at any time—2917. Matter that can be safely left to judgment of government and parliament—2918. No one desires to act in a spirit of harshness—2918.

Gallihier, W. A. (Kootenay)—2920.

Prime object of Bill is to provide seed for those whose crops failed—2920. No class must be discriminated against—2921.

10095—24

SUPPLY—SEED GRAIN FOR NORTHWEST—*Con.*

Henderson, David (Halton)—2934.

Settlers should not be pressed for repayment—2934. Matter should not be left at discretion of any minister—2934. Settlers should know when they receive seed grain how long they are to be allowed to pay for it—2934. Detrimental effect of chattel mortgage—2935. Payment should be spread over three years—2935.

Herron, John (Alberta)—2921.

Approves of both Bill and amendment—2921. Germinating qualities of grain—2921. Repayment should be spread over three years—2922. Taking lien on coming crop as security not advisable—2922.

Hughes, Sam. (Victoria)—2935.

Advance of money to buy grain a splendid exemplification of confidence in the west—2936. Causes of last year's crop failure—2936. Labour candidates in the west—2937. Need for ample time for repayment—2937.

Knowles, W. E. (East Assiniboia)—2918.

New settlers should be assisted in same way as older residents—2918. Labour conditions in the west—2918-9. Homesteaders expecting assistance—2919. Object is to get all lands possible under crop—2919. Time for repayment—2919.
