THE
Red River Expedition,

BY
CAPT. G. L. HUYSE, RIFLE BRIGADE.

(Late on the Staff of Col. Sir Garnet Wolseley.)

WITH MAPS AND PORTRAITS OF RIEL AND BISHOP TACHÉ.

276 PAGES, CROWN 8vo., CLOTH, PRICE \$1.25.

The following account has been written, in the hopes of directing attention to the successful accomplishments of an expedition which was attended with more than ordinary difficulties. The Author has had access to the official documents of the expedition, and has also availed himself of the Reports on the line of Route published by Mr. Dawson, C.E., and by the Topographical Department of the War Office. The statements made may therefore be relied on as accurate and impartial. The endeavour has been made to avoid tiring the general reader with dry details of military movements, and yet not to sacrifice the character of the work as an account of a military expedition.
