### HIGH PARK CLUB WINS DISTRICT CUP FINAL

Defeating Peterboro by Long Margin-Winners Entertain the Visitors.

High Park romped away with the final for the District Cup yesterday, defeating Peterboro at the Granite on ice that was fast turning soft. Both winning rinks fast turning soft. Both winning rinks were well up.

The High Park Club, notwithstanding the shortage in good ice, has had a most progressive season. The membership has been large, the curlers enthusiastic, and the different contests have been run off on schedule time.

After the finals were played, the visiting players were entertained by the local, club at the Walker House.

What is expected to be the fifth and last meeting of the Beaches A.A.A. seniors and Athenaeums this season will take place this afternoon at the Ravina rink at 3.30 o'clock sharp, when, despite the fact that Beaches carry a six-goal lead from the first of home and home games at the Arena, a red hot game should result, as Athenaeums always play a much better game on the smaller ice, and are confident, with a little breaks in the luck, that they can overcome Beaches long lead. Owing to their having been some disagreement between the two teams as to the time the game would take place, the league officials have ordered that it be played as per the original agreement, at 3.30 p.m., so all players of both teams are requested to take notice and be on hand in plenty of time to start at the above mentioned hour. Referee F. C. Waghorne, sr., will again be in charge of the proceedings, so a good fast game is assured. It is likely that the two teams will line up as follows:

## Tilden is Champion

Tilden gained the victory by his bril liant playing in the last two sets. His spectacular smashing and volleying attack, coupled with great court covering and sensational "gets" stood out con spicuously. He used his straight bullet delivery to advantage and varied this with tremendous reverse twists which proved entirely too much for Richards.

### WILL HOLD ANNUAL C.A.A.O. REGATTA Official Announcement in Re-

gard to Revival of Rowing the Coming Summer.

At a well attended meeting of the executive committee of the Canadian Association of Oarsmen, held in the president's office on Friday, it was decided to revive the annual regatta this year. Reports had been received from widely separated points indicating an enthusiastic anticipation of the opening of the rowing season, and the regatta, it is confidently believed, cannot fail to be a great

ing season, and the regatta, it is connidently believed, cannot fail to be a great success.

Perhaps no sport in Canada made so large a proportionate contribution to the army as did rowing. A large number of oarsmen athletes made the supreme sacrifice, numbers more were severely wounded, but all who are returning are keenly enthusiastic about getting back to the old sport as soon as wind and weather permit. None of the old enthusiasm has died out, rather has the love for all aquatic sports increased.

The coming season is looked forward to by the Association with the greatest hopefulness, tho it is realized that it will take a long pull and a strong pull together, on the part of every rowing club, every friend of rowing and every admirer of true amateurism, to make good the ravages of war in the different clubs, and re-establish the grand old sport which is one of the most important and best of summer pastimes.
