

Cures Weak Men Free

Send Name and Address To-day—You Can Have It Free and be Strong and Vigorous for Life.

INSURES LOVE AND A HAPPY HOME.

HEALTH, STRENGTH AND VIGOR FOR MEN.

How any man may quickly cure himself after years of suffering from sexual weakness, lost vitality, night losses, varicocele, etc., and enlarge small, weak organs to full size and vigor. Simply send your name and address to Dr. Knapp Medical Company, 1238 Hull Building, Detroit, Mich., and they will gladly send the free receipt with full directions so any man may easily cure himself at home. This is certainly a most generous offer, and the following extracts taken from their daily mail show what men think of their generosity.

"Dear Sirs—Please accept my sincere thanks for your recent card. I have given your treatment a thorough test, and the benefit has been extraordinary. It has completely braced me up. I am just as vigorous as when a boy, and you cannot realize how happy I am."

"Dear Sirs—Your method worked beautifully. Results were exactly what I needed. Strength and enlargement is entirely satisfactory."

"Dear Sirs—Yours was received, and I had no trouble in making use of the receipt as directed, and can truthfully say it is a boon to weak men. I am greatly improved in size, strength and vigor."

All correspondence is strictly confidential, mailed in plain, sealed envelopes. The receipt is free for the asking, and they want every man to have it.

DEATH FOLLOWED JOY.

An Inventor Killed By His Invention After It Succeeds.

New York, June 13.—Herman O. Moritz, a Brooklyn inventor, 62 years old, has been killed at Coney Island by a device on the invention of which he had spent more than a quarter of a century and all his savings.

Moritz's invention was an aerial toboggan slide. Permission had just been granted him to operate it, and all the laws of the department had been complied with. The first car was empty and went without any trouble. Other cars with persons in them were sent over. The device seemed to be working to perfection, and as the various cars, one after another, went down the steep slide, and came up with a round turn, Moritz fairly shouted for joy. The dream of the last 26 years of his life was realized, and his face beamed with delight as he rode down the slide. He was the first to reach the bottom, and he pronounced the construction a success and certain to make a fortune.

Inspector Rittenhouse and Charles Otis, a friend of the inventor, rode in the last car to be tested. Moritz stood at the foot of the incline. The car had nearly reached the top, a distance of about 10 feet. There was a cracking sound, a shout, and Rittenhouse and Otis shot backward. Their car had failed to hold the steel dog until the top of the incline had been reached. It came down with great velocity, straight for the place where Moritz was standing. The car was almost upon him when he turned to get out of the way. It was too late. The heavy vehicle struck him in the back, knocking him thru a wire netting and out into the Bowers walk. He died two hours later. Rittenhouse and Otis were unhurt.

"Grandas." In addition to the usual number of horses of all classes to be sold at Grand's on Tuesday next, June 17, there will be sold a car load of horses consigned by Mr. B. H. Millard, Orillia. These horses were bought specially for the British army, but in consequence of the close of hostilities will be sold without reserve, also a complete turnout, consisting of a brown gelding, 6 years old, 10 hands, sound, kind in harness and saddle, a great jumper, sired by Eskdale, dam by Buffalo, and also an English dog cart built by Hutchinson, nearly new, and English bridle mounted harness as good as new.

YORK COUNTY AND SUBURBS

County Council Objects to Joint Maintenance of Some County Offices in City Hall.

ROOMS USED FOR PRIVATE PURPOSES

Junction High School Grant Withheld—Settlement With N. Toronto re Administration of Justice.

York County Council will adjourn to-day until Nov. 24. Yesterday they discussed many sub-committee reports, and to-day they will strike the rate for the year. The county rate will, in all likelihood, be 21-3 mills.

The Court House Committee reported that a sub-committee looked over the rooms of the new Court House, which the City Council claimed the county should maintain jointly with the city. They concluded that some of the rooms should not be charged to the judicial County of York, and others only partly.

On the first floor, the official stenographer's rooms, which the City Council claimed the county should maintain jointly with the city. They concluded that some of the rooms should not be charged to the judicial County of York, and others only partly.

On the second floor, the County and Division Court rooms, jury and witness rooms and judges' rooms are objected to, because they are used jointly for the County Court and Division Court, while the city alone is responsible for the Division Court.

The county is further considered it is in no way responsible for the payment of any portion of the cost of cleaning, lighting, repairing and furnishing the rooms of the First and Tenth Division Courts, which are wholly unnecessary. The county will meet city representatives in regard to this dispute at an early date.

To Protect Quail. Mr. Woodcock moved, seconded by Mr. Ley, that the Legislative Committee introduce a petition to the Lieutenant-Governor in Council, praying that the provisions in the act relating to the close season of quail be suspended in the County of York, and that no quail be permitted to be killed within the same county for a period of three years.

Will Withhold High School Grant. The County Council has authorized to try and effect a settlement with the Corporation of Toronto Junction as to the amount the county is entitled to deduct from the County High School grant to that town, and the Treasurer is instructed to withhold the grant until such amount is ascertained.

In the year 1887, the County Council assumed a bridge over the Black River, in Georgia Township. In the following year, the county met the bridge, and built a combination bridge, with sidewalks on each side, separate from the part used for vehicular traffic. In 1890, the Village of Sutton was incorporated, and the bridge was situated in the new corporation. In 1898, it was torn down, and a steel bridge erected; but the county refused to put sidewalks on the new bridge. The county now offers to give the Village of Sutton \$12,150 to build a sidewalk on the bridge, provided the village passes a by-law, agreeing to hereafter keep the sidewalk in repair and relieve the county from any damage claims that may arise out of accidents on account of this sidewalk.

Administration of Justice. The Special Committee re Administration of Justice account with North Toronto and Toronto Junction, reported that, owing to the illness of the Mayor or Toronto Junction, a settlement had not been effected. North Toronto was represented by Mayor Fisher and Cookshire Armstrong. When the following settlement was agreed upon: The town to pay the cost of the administration of justice chargeable to the county, including the care and maintenance of the new Court House and the cost chargeable to the county under the Land Titles Act, and the cost of the Registry Office; and to pay in cash, on the same basis, for the furniture of the new Court House, except the cost of the new Court House for the same. The town is to pay 5 per cent. per annum on its share of the amount of the cost of the city on the new Court House, viz., \$84,000, or pay 3 per cent. of the said sum in cash.

Epitaph. Epitaph Methodist Church choir will have a picnic to Centre Island this afternoon.

Rev. Mr. Stewart and Rev. Mr. Hudson have been reappointed to their respective charges at Epitaph and Davisville.

Mr. Muston will represent the S.O.E. Lodge at the annual convention this summer.

The last payment of the mortgage on the Merton-street Mission is being gratifying to all those who have long looked for the completion of the work.

Passenger traffic on the Metropolitan has been greatly increased by the introduction of new and improved coaches will render this one of the most popular lines running out of the city.

Unionville. Charles E. Stiver, who underwent an operation on Sunday last for the removal of a tumor from his head, is progressing fairly well.

Markham. Markham High School students have acquired themselves well at the recent examinations at Toronto University.

Lisgar Eckhardt passed his final exam. C. A. Fleming and W. G. Deane passed their third year in arts. Miss Emma Tuckett passed her second year in arts and Wilfred G. Reine and Herbert Evans their second year in medicine.
