

in the Sabbath School, and we trust by careful application rapid progress will be made in this important department.

We have adopted for next year the Chicago scheme of lessons in the *Sunday School Teacher*, a Magazine expressly for Teachers, and containing all the recent improvements connected with the work. The lessons are attractive and interesting, comprising the birth, miracles, death, resurrection and ascension of our Saviour.

We have had for the last six months two visitors in connexion with the School, Mrs. Hiram Robinson and Miss McBain. We rejoice to say they have been well received, and the attendance increased through their visits.

The following is a statement of accounts for the year :
