"He will never do that," she spoke with decision. "He is angelic tenderness itself to her."

She turned away and busied herself.

What Alice Holcombe Asked of Madge.

face was white with horror, save for two hectic splashes of color in her cheeks.

"Poor Milly! Poor Ken!" she murmured brokenly. "I was afraid it would come to something like this. I have felt that she was more than half insane, and distinctly dangerous for a long time.

But—poison—"

The word was so low that I knew it was inaudible outside the room, but I douldn't repress a frightened exclamation.

"Hush!" I said. "Don't say that again."

A Swift Change.

"You are right," she returned contrictly. "Indeed, I shall never refer to this episode again. But you, we, all of us, must be on our guard from now on, now that we know of what her poor brain is capable. Tell me one thing, did she mean to include both you and Ken—" she broke off abruptly, then began at is whether you think Ken is in any danger."

I her voice, her eyes, dared me to remember anything she had inadvertently betrayed. I took her cue instantly, the wheart ached for her, the mate fashioned for Kenneth Stockbridge, who must stand helplessly aside and watch the wreck of his life and happiness.

With her husband's arm around her, Milly Stockbridge went through her good-bye to us almost as mechanically as a well-trained parrot would have done. She looked at Dicky and Alice Holcombe, but never once raised her eyes to meet mine.

"He will never do that," she spoke with decision. "He is angelic tenderless itself to her."

She turned away and busied herself with her wraps. When next she spoke that hardly knew her voice so charged it was with bitterness.

"Did you ever know it to fail," she he asked casually "Miller can you he asked casually "Miller can you." "Run over tomorrow, Alice, can you."

"By over the emanded, "that an utterly worthless"

"Of course," Alice Holcombe promised carelessly. "Good-night, Milly."

She put her lips lightly to the cheek of the woman who had robbed her of the greatest blessing earth held for her. As Dicky and I went down the steps to our waiting taxi the three figures were silhouetted in the light of the electric porch lamp. The man, the wife, the faithful friend to them both. I couldn't repress a little shiver at the hopelessness of the situation.
