## SAL VOLATILE WINS THE FALL HANDICAP

Park Row Second—Nicol Puts Up Poor Ride on King Cobalt—Results.

Friday was a bad day for favorites at Hamilton, only two out of the seven winning, the initial race starting with Pimpante, a 20-to-1 shot, landing. Reidmore won the second at a good price, his performance being a creditable one, as this was his third start in as many days, or fourth within a week. Bannell justified his backers' confidence in him by coming home a winner in the steeplechase, while in the fourth Royal Onyx made the favorite, and he ran true to form.  
Cliff Turley in this race broke down, Jackey Garner having to dismount and lead him back to the stand. Moonraker, unseated jockey Ross on the back stretch, but the latter was not injured.  
The feature race of the day, the Fall Handicap, saw Sal Volatile returned the winner, also by the way the other horses were ridden, especially King Cobalt, it looked very much as if Park Row was the one elected. Extralite was the good thing in this race but he was not fit. Sal Volatile and Extralite raced the first furlong heads apart. The latter then quit, King Cobalt coming along with Park Row third, so they raced down the stretch, with Nicol, on King Cobalt, doing his best to bump Sal Volatile. This he was unable to do, and Park Row, coming with a great burst of speed, nipped Cobalt at the wire for place money. Nicol lodged a claim of foul against Sal Volatile, but it was promptly dismissed, and the wise lot were, therefore, unable to cash their tickets on Park Row.  
Tartar Maid was the best in the sixth race, while Niblick repeated his Wednesday's performance by taking the race of the day at good odds from the long shot, Wilton Lackaye.

## Sal Volatile 9-2 - Won

SAL VOLATILE, 9-2, Won, was your UNCLE BILL DIXON'S one best bet yesterday, and she won in a common center. The chumps went to Park Row, and that such a horse, King Cobalt, who fell by the wayside beaten. Other winners on my card were:  
BANNELL - - - 6-5, WON  
TARTER MAID - 5-1, WON  
ROYAL ONYX - 8-5, WON

I gave the above horses to win, and to win they were. I gave them to win at a good price, my aim, and I invariably make good.  
MY ONE BEST BET CAME HOME  
WITH A BARREL OF MONEY FOR THE DIXON FOLLOWERS. I tell you, boys, I never saw the game so soft as it is at the present time. This merry little strife at Hamilton is aces and deuces for me and my bunch of ironclad sharpshooters.  
I HANDED this one out for the HEAVIEST of all PLUNGE TO WIN, AND ONLY TO WIN.  
HERE WAS A SPOT WHERE I WAS IN THE KNOW. Day after day my CLIENTS are DOING BUSINESS. Why not you? The DIXON BUNCH ALONE took thousands out of the ring, and WHAT THEY DID TO THE "ROOMS" fact over the country was a PLENTY. BIG COMMISSIONS went down on this one at CHICAGO and at NEW YORK.  
There is no use talking. If you WANT TO BEAT THE RACES, YOU GOT TO "KNOW SOMETHING." Come to ME. I'm there with the REAL GOODS DAY AFTER DAY.  
MY ONE-HORSE WIRE  
Bear in mind that my BEST EFFORTS are ALWAYS PUT FORTH for my ONE-HORSE WIRE clients.  
THE BEST THING ON MY ENTIRE RACING MESSAGE IS ALWAYS sent out as the ONE-HORSE WIRE.  
MY ONE-HORSE WIRE clients receive the CREAM OF ALL MY "INFO." I send you the "ONE-HORSE WIRE" every day. BIG MONEY, sent in TO-DAY and subscribe to my ONE BEST BET and follow me from DAY TO DAY. Turfites, do you notice how I duck the favorites at odds-on that fall by the wayside beaten? I know every angle of the game from A to Z.
