

LONG SHOT LANDS THE FEATURE RACE

And Tailor Maid Incidentally
Scores One of the New
Records.

New Orleans, Feb. 28.—A handicap at a mile and seventy yards, for three-year-olds and upwards, and the Corcoran Purse, at five-eighths, with similar conditions, featured a good card of racing this afternoon at Jefferson Park. The usual big Saturday crowd of spectators was in attendance and witnessed some spirited racing.

The track was lightning fast, and three new track records were made during the afternoon. The first mark to go by the board came in the running of the juvenile event, Gentle Clipping, one and three-fifths seconds from the old mark. The second record went to George Starr, which scored in the Corcoran Purse. In this the time was reduced two-fifths of a second.

The big surprise, and the real form upset, occurred in the handicap, fifth on the card. Tailor Maid, in at light weight and overlooked by the public, scored over Bullet Proof, the favorite, in winning. Tailor Maid also set a new track mark, running the mile and seventy yards in 1:43.4-5. Tailor Maid opened at 10 to 1 and closed at 15 to 1. Wilda was outside the Atkinson filly, and scored a half-length victory. Matinee Idol was third. Bullet Proof tired at the end. General Glenn nearly fell at the start, and received a bad ride from Rich-creek.

New Haven, Feb. 28.—A call for candidates for the Yale lacrosse team was issued today and announcement was made that Talbot Hunter would coach. He has coached at Cornell. Practice will begin in the baseball cage.

DUNLOP CORD TIRES

The Super-Test

- BEFORE you are asked to buy or try Dunlop Cord Tires, they must undergo a test such as you would never give them.
- Tires just like your garagemen and dealers now sell are put on our own test cars, and away speed the drivers.
 - A Test that is kept up day and night.
 - A Test that takes in some of the worst roads in the country and the generality of bumps, bad turns, and all the sudden stops that go with them.
 - A Test that specifies the number of miles which must be made by the drivers each day and night.

The results of this crucial test, naturally, have an important bearing on our manufacturing policy.

Tested-in-Advance Service aptly applies to Dunlop Cord Tires—"Traction," "Ribbed." Can you ask for a greater guarantee than the story the road tells—a story which in the case of Dunlop Cord Tires proves that our manufacturing methods are not only Right but Dead Right?
