

THIS celebrated chemical compound is the result of an extensive experience with regard to the curative powers of all the known medical agents, and of a theoretical and practical knowledge of the various chemical affinities brought into play in their combinations. By careful investigation and laborious research, the ingredients—having been selected with special reference to their different virtues and peculiar powers—are so combined as to form a perfectly homogeneous compound, possessing, through its wonderful efficacy and manifold healing influences, an adaptedness to a wide circle of disease.

Advertising Itself wherever it goes by the wonderful and gratifying effects which it produces, this sterling medicinal preparation, Dr. Thomas' Electric Oil, is winning "golden opinions" in all parts of the Dominion.

Among the pains and aches cured with marvellous rapidity by Dr. Thomas' Electric Oil is Earache. The young are especially subject to it, and the desirability of this Oil as a family remedy is enhanced by the fact that it is admirably adapted not only to the above ailment, but also to the hurts, disorders of the bowels, and affections of the throat, to which the young are especially subject.

Tell the Deaf.—Mr. J. F. KELLOCK, Drug-gist, Perth, writes: "A customer of mine having been cured of deafness by the use of Dr. Thomas' Electric Oil, wrote to Ireland, telling his friends there of the cure. In consequence I received an order to send half a doz. by express to Wexford, Ireland, this week."

Sore Feet.—Mrs. E. J. NEILL, New Armagh, P.Q., writes: "For nearly six months I was troubled with burning pains and aches in my feet to such an extent that I could not sleep at night, and as my feet were badly swollen I could not wear my boots for weeks. At last I got a bottle of Dr. Thomas' Electric Oil and resolved to try it, and to my astonishment I got almost instant relief, and the one bottle accomplished a perfect cure."

Mr. JOHN GRAHAM, Stevensburgh, Mich., writes: "Dr. Thomas' Electric Oil is the best family medicine you can have in the house. I have been using it for fifteen years."

Worth more than Gold.—Mr. THOS. MOWAT, Lower Fort Garry, Man., writes: "My eight year old boy came from school a few days ago so bad with croup that we could not hear him talk, and in his efforts to get breath he caused bleeding of the nose. As an experiment I put fifteen drops of Dr. Thomas' Electric Oil on sugar and told him to try and swallow it. He did so with a great struggle, and to the surprise of my wife and I he could talk all right in less than fifteen minutes after. Now, gentlemen, you say Dr. Thomas' Electric Oil is worth its weight in gold, but I say it is worth twice its weight in gold for any throat disease."

TWO GREAT MEDICINES,

"UNION IS STRENGTH."

MISS M. J. RICHARDS, Belleville, writes: "Nearly three years ago I was taken with a pain in my shoulder so that I could not raise my arm. It rapidly grew worse, until a severe running sore broke out. For two years I tried a great many physicians in Belleville and Toronto, and nearly everything that I thought would help it, but got no relief. After being in bed for two months, an intimate friend thought if I used NORTHROP & LYMAN'S VEGETABLE DISCOVERY to Purify the Blood, and applied DR. THOMAS' ELECTRIC OIL on the arm, it might do me good. I must confess I did not have much faith in being cured, as I had tried so many things, and did not get any relief from them; but my friend persisted, and I commenced taking the DISCOVERY and rubbing the sore with DR. THOMAS' ELECTRIC OIL, and in less than two months my arm was completely healed and as strong as ever it was, while my health never was better."

It Never Falls.—Mr. W. J. CORBETT, Creemore, writes: "A few days ago a customer of mine came in with a Sore Throat, and his neck swelled to almost twice its usual size. In reply to my question as to what he was going to use for it, he said, 'I always use DR. THOMAS' ELECTRIC OIL'; I at once supplied him with a bottle and he took a dose then and there, and applied some externaly; strange to relate, he felt relieved before leaving the store, and stranger still, before night the swelling was almost entirely gone. I supplied DR. THOMAS' ELECTRIC OIL to a large number of parents during an epidemic of Diphtheria, and every one of them saved their children, while a number that I knew of lost theirs after using other remedies. These facts speak for themselves, and the consequence is that DR. THOMAS' ELECTRIC OIL is in constant demand all the year round."

The seven-year-old child of Mr. Henry Harding, Toronto, was confined to her bed for weeks with Rheumatism, limbs drawn up, great pain in all her joints; two bottles of DR. THOMAS' ELECTRIC OIL cured her.
