REPORT OF COMMITTEE ON PSALMODY.

Your Committee have pleasure in reporting that during the past year the Choir, Organist, and Music Committee have worked harmoniously; that the choir practices have been held regularly, and that the musical service has been acceptable and helpful to the Congregation in general.

Your Committee wish to record their special indebtedness to the ladies and gentlemen of the Choir, who, with Mr. Reyner, have rendered faithful and valuable services at considerable self-sacrifice, also to our Pastor for his hearty interest in our endeavour after devotional singing.

Your Committee again thank the gentlemen who have generously subscribed to the Organist's Guarantee Fund, and would recommend that Mr. Reyner's services be retained for another year, at a salary of eight hundred dollars, such amount to be assumed in full by the Church, and paid monthly direct from the treasury.

Your Committee would urge the Congregation to enter heartily into the service of praise; and in view of the fact that the choir is a purely voluntary one, and in need of more voices, to consider it the clear duty of all who can sing to join our number, and devote the talent God has given them to His service and praise.

Respectfully submitted,

CHAS. GURD,

Convener.
